**Oracle Hosts “Oracle Insight for Investors” Educational Webcast
Oracle Fusion Middleware 11g**

REDWOOD SHORES, Calif, --- July 23, 2009 --- Oracle will host the first webcast in its “Oracle Insight for Investors” series, with corresponding slide presentation, on Tuesday, July 28, 2009, at 8:00 AM Pacific time.

Please join Thomas Kurian, Executive Vice President, as he discusses how Oracle Fusion Middleware 11g fundamentally transforms the way its customers develop, run, and manage their custom, packaged and composite business applications. Oracle engineers have worked from a common set of design principles to forge outstanding integrations between best-of-breed components. This innovative approach will help Oracle customers build agile, adaptable applications with a degree of ease that was not possible until now. Oracle Fusion Middleware 11g also delivers unprecedented support for virtualization and cloud computing.

Following a brief presentation, a question & answer session will be held with Kash Rangan of Bank of America Merrill Lynch.

No previously unannounced issues will be discussed in this webcast.

Date: Tuesday, July 28th, 2009

Time: 11:00 AM (ET); 8:00 AM (PT)

Listen and watch via the Internet:

We will offer live and replay audio broadcast of the conference call, with synchronized slides, at: <http://www.oracle.com/investor>

Please watch the webcast online, as there is no audio bridge for this event. Questions may be asked online.

RSVP:

No RSVP is necessary

Replay:

Playback of the Executive Access, with synchronized slides, will be available on the Oracle Web site at: <http://www.oracle.com/investor>
