ABOUT ORACLE FINANCING

- Fifteen years of experience
- 6,000+ customers
- 40+ countries
- Fortune 1000 to small and mid-sized enterprises
- All major global industries
- Commercial and government

Oracle offers comprehensive, competitive financing and leasing to help decrease acquisition and ownership costs and accelerate the benefits of Oracle-based solutions. By acquiring your total solution through Oracle you can optimize IT budgets, improve cash flow and enhance investment returns. And you can do it today using a single payment structure from one trusted source.

Affordability, Flexibility and Ease

Oracle Financing provides financing and leasing solutions to Oracle customers. Whether you acquire one product from Oracle or a broad solution from multiple vendors, we offer a single, simple payment structure tailored to meet your specific business requirements—for example mapping payments to budgets or to the benefits you receive from your investment.

Our flexible solutions, quick approvals, and simple documentation make it easy for you to implement the products you need, when you need them—while conserving capital and optimizing budgets. You also enjoy the predictability of acquiring your total solution through one trusted source: Oracle.

Financing and Leasing Benefits

- Reduce upfront capital requirements
- Leverage flexible payment structures
- Access future budgets and improve budgeting predictability
- Preserve existing credit lines
- Easily scale over time

More Leasing Benefits

- Leverage the lowest cost of entry to Oracle
- Utilize multi-year operating budgets
- Enjoy end-of-term flexibility

Getting Started

Customers can use Oracle financing, leasing and custom payment plans to acquire Oracle products and services, solutions built on Oracle technology, and related products and services, from Oracle or a distribution partner. For more information please contact your Oracle representative, e-mail Oracle Financing at ofdinfo_ww@oracle.com, or refer to the Oracle Web site:
