

## **Caribbean Development Bank Selects Oracle FLEXCUBE**

**13-Nov-08**

News Facts

Oracle Financial Services Software, a majority owned subsidiary of Oracle, today announced that Caribbean Development Bank, one of the largest and most prominent development finance institutions in the Caribbean, has selected Oracle FLEXCUBE to meet its requirements for a state-of-the-art lending platform.

The selection by the bank is the third by a development financial institution in the Caribbean/ Latin American region and the latest by a number of development financial institutions globally.

Supporting Quotes

"This selection of FLEXCUBE by Caribbean Development Bank underlines our ability and expertise in providing solutions to development financial institutions. We are happy to be associated with one of the largest development banks in the region, and are confident that FLEXCUBE will help the bank now and in the future," says N.R.K. Raman, Managing Director and CEO, Oracle Financial Services Software.
