

Remote Airline and Bag Check-In

That's right! You can check in at Moscone Center and bypass the airport lines. This service allows you to check your bags and receive your boarding pass at Moscone Center, leaving you additional time to visit the show floor or take in more of what San Francisco has to offer.

Participating Airlines (SFO Domestic Flights Only): AirTran, Alaska, American, Continental, Delta, JetBlue, Northwest, United, and US Airways (US Airways is Web check-in only).

Rates: US\$20-per-passenger service charge. Normal airline baggage constraints apply: one to two bags, weight limit of 50 pounds per bag. Payment requested in cash only. Please ask attendant for airline baggage charge regulations.

Preenrollment: To expedite the check-in process, Bags strongly encourages you to enroll in advance for this service. Simply log in to Bags' new preenrollment Web site at <https://onvoy.arincmuse.net/rps> and enter the event code and password provided below. When you are ready to check your luggage on your day of departure, proceed to the bag check facility at Moscone West (adjacent to the coat and bag check) on either October 14 or 15. Please have your ID available at check-in.

Alternatively, you can print out a Bags preenrollment form and drop it off at the Bags Moscone West location prior to checking your luggage.

Note: You may check in for your flight any time on the day of departure. Luggage must be checked a minimum of three hours before scheduled flight departure.

About Bags

Bags (www.airportbags.com) is the first TSA-approved remote skycap service. All agents are highly trained and credentialed to issue boarding passes and print baggage tags on demand.

Bags uses proprietary, sophisticated technology to ensure accurate, safe, and secure multi-airline baggage check-in and transport to the airport.
