Footnotes

¹ Oracle VM support services are provided at the support level and for the term defined in your order. When ordering Oracle VM support services you must comply with the following availability rules:

- Oracle VM Premier Limited support services are available only for systems with no more than 2 physical CPUs per system.
- Oracle VM Premier support services are available for systems with any number of physical CPUs per system.

Definitions

System is defined as the computer on which the Enterprise Linux programs and/or Oracle VM–Server programs are installed. (For purposes of calculating the price of the Oracle VM support services, the computers where the Oracle VM–Manager programs are installed are not counted.)

Physical CPU: is defined as each monolithic integrated circuit responsible for executing a system's programs. A monolithic integrated circuit with multiple cores or hyperthreading is counted as a single physical CPU when determining the total number of physical CPUs in a system.

Extended Support

Customers with current OracleVM Support can support their product for a further 3 years, past the initial 5 years from the general availability date of the product, by purchasing Extended Support. Extended Support fees are applied to the desupported Oracle programs only. Extended Support fees consist of the prior year's fee for OracleVM Support plus the applicable renewal adjustment, plus an additional fee based on the year. Additional fees are as follows:

- Year 6 after product release: 10% of current year's OracleVM Support
- Year 7 after product release: 20% of current year's OracleVM Support
- Year 8 after product release: 20% of current year's OracleVM Support

Extended Support offers the following:

- Updates, fixes and security alerts
- Tax, legal and regulatory updates
- Upgrade scripts
- Technical support
- Major product and technology releases
