User Groups at Oracle OpenWorld

Oracle is once again pleased to welcome its worldwide user groups to Oracle OpenWorld in San Francisco. All conference attendees are encouraged to engage with members of the Asia Pacific Oracle User Group Community (APOUC), EMEA Oracle User Group Community (EOUC), Higher Education User Group (HEUG), Independent Oracle Users Group (IOUG), Oracle Development Tools User Group (ODTUG), Oracle HCM Users Group (OHUG), Oracle Applications Users Group (OAUG), and Quest International Users Group during the week. Don't miss the chance to explore the many benefits of participating in an Oracle user group. Meet with fellow users to share best practices and tips and techniques, or simply sit in on a special interest group meeting or session to learn how to get more out of your Oracle technology and applications. Use this guide to see which special interest group meetings and sessions are available onsite.

User Group Pavilion

Representatives from participating user groups will be on hand at the User Group Pavilion in Moscone West, Lobby Level 2, to discuss the benefits of user group membership, share the latest developments, and gain feedback. If you're a user group member already, stop by to see what's new and connect with old friends. If you're not a member or are new to Oracle, explore the opportunities and benefits of affiliation and representation. The User Group Pavilion is open during the following hours:

Sunday: 10:00 a.m. – 5:00 p.m.
Monday: 10:30 a.m. – 6:30 p.m.
Tuesday: 10:30 a.m. – 6:30 p.m.
Wednesday: 9:15 a.m. – 5:15 p.m.
Thursday: 10:00 a.m. – 4:00 p.m.

Thank You to Our Participating User Groups
