

Enablement 2.0 Boot Camps Frequently Asked Questions

What is Enablement 2.0?

Enablement 2.0 is an initiative to better train more Oracle Partners by providing quality course content through an increased number of delivery options including self-paced on demand and instructor led offerings provided online and in person.

What is the Enablement 2.0 Boot Camp program?

Designed exclusively for partners, the Enablement 2.0 Boot Camp program is a "jump start" role-based training initiative covering Oracle's technology and application products including those recently acquired. Offering a combination of classroom lectures, hands-on lab exercises, and case studies these Partner Boot Camps are intended to provide Oracle Partners with solid foundational skills upon which to grow their business.

Who can attend the Enablement 2.0 Boot Camp training?

The Enablement 2.0 Boot Camp training is intended exclusively for members of the Oracle PartnerNetwork. Each Partner Boot Camp has a clearly defined audience and is constructed in a role-based fashion.

Please read the individual Boot Camp Data Sheets to determine if the audience is intended to be: sales representatives, presales consultants, implementation consultants, and/or developers.

Where can I get pricing information for a specific boot camp?

Oracle provides access to the Enablement 2.0 Boot Camp training and attendance to related live web boot camps as a benefit of the Oracle PartnerNetwork without additional fees. For in-person instructor lead Boot Camps, a registration fee may apply. Fees may vary by Boot Camp and geographic region.

I have previously attended in class training with Oracle University. Are the Enablement 2.0 Boot Camps replacing Oracle University classes?

No. Enablement 2.0 Boot Camp training program complements the premier training offerings from Oracle University. The Enablement 2.0 Boot Camp can be taken in conjunction with the other online and/or in class training offered at Oracle.

Does Enablement 2.0 Boot Camp training qualifies for Oracle University Certification Program?

No. Enablement 2.0 Boot Camps training program is not part of the Oracle University Certification Program. Online assessment of the topics taught during the boot camp training is administered to reinforce learning.

Is there any prerequisite training prior attending a boot camp?

Participation in the boot camp training requires a certain level of product expertise and knowledge. Please read the individual Boot Camp Datasheets to learn about the required prerequisite training.

How do I register/sign up for a boot camp?

To register/sign up for an Enablement 2.0 Boot Camp, go to [Enablement 2.0](#), select the boot camp you are interested in, and then select a session from available schedule.

Will I receive a confirmation of my registration/enrollment?

Yes. Once you have registered your interest in attending Boot Camp training, you will receive a confirmation email, via the email address provided in the registration form.

Actual confirmation of acceptance will be validated via an Official Class Confirmation notice which will be emailed to you from the class sponsor. Because sessions fill quickly you are advised NOT to make travel arrangements until you have received an Official Class Confirmation notifying of your confirmed enrollment.
