

The Power of Oracle Retail

For Retailers,
By Retailers

Our solutions are built for retailers, by retailers with our ecosystem and proactive development process. Oracle Retail has documented **808 detailed process workflows** based on input and experience across the ecosystem, working with a broad range of retail customers across the globe into the **RETAIL REFERENCE LIBRARY**.

EQUATION:

THE BUSINESS VALUE

- **Accelerate** implementations
- **Derive maximum value** from our software and development investment
- Help IT and business users **better collaborate**
- **Invest in your future** with best of breed solutions at an enterprise scale

30 SOLUTIONS are Detailed in the Retail Reference Library

The latest version of the Retail Reference Library includes new content supporting the Oracle Retail Merchandising System Cloud Services in both the Retail Reference Models and the Retail Reference Architecture, as well as new terms in the Retail Semantic Glossary:
