Accelerate Sales and Find New Opportunities Faster

D&B360—D&B’s cloud-based, on-demand solution—integrates D&B data and other essential business information directly into your Oracle CRM On Demand solution, helping you to see prospects and customers from new angles.

Company Overview

Dun & Bradstreet is a leading source of commercial information and insight on businesses and has enabled companies to Decide with Confidence for 170 years. D&B’s global database contains the largest source of business records and is backed by D&B’s proprietary DUNSRight quality assurance process, ensuring company information is complete and accurate.

Integration Overview

D&B360 gives users of Oracle CRM On Demand 19 integrated access to Dun & Bradstreet’s trusted global database of more than 200 million companies, 53 million contacts, 3 million corporate family trees, and Hoover’s and risk data—and combines it with Rest of World data, such as news and social media information, all kept automatically up to date directly within Oracle CRM On Demand.

When you combine D&B360 with your Oracle CRM On Demand solution you will see your prospects and customers from all angles allowing you to:

- Know your customer better
- Acquire new prospects
- Sell deeper into organizations
- Improve sales effectiveness
- Manage data easier

Integration Details

Integration with D&B360 provides Oracle CRM On Demand users the following:

- Comprehensive company and contact data
- List building
- Data management simplification (cleanse/match/append)

Validated Integration

Oracle CRM On Demand

Through the Oracle PartnerNetwork, partners with validated integrations are able to provide customers with standards-based product integrations, tested and validated by Oracle. Customers benefit from improved risk management and smoother upgrade capability, leading to a lower total cost of ownership and greater overall satisfaction.

Availability

US\$75–\$139 per user/month for current Oracle CRM On Demand subscribers. Required annual commitment. Minimum 10 users. Volume discounts available.
