Arbita™ Global Employment Management Solutions

Company Overview

Arbita Global Employment Management Solutions provide the world's leading employers with tools and services to customize, launch, and manage effective online recruitment programs. Our clients streamline recruiting functions through unique platform independent Middleware Solutions. Arbita's flagship product, OnePost, allows you to send requisitions to any job board from any HR suite, automating time-consuming administrative functions. Arbita services simplify all around recruiting effectiveness through media research and recommendations, job board performance analysis and bench-marking, and consolidated billing

Integration Overview

- Activate and test in as little as one hour, maximizing productivity every step of the way.
- Shorten the posting process - pre-populating with your requisition data and eliminating errors.
- Create and send postings to thousands of premium job boards and free web destinations from Oracle's PeopleSoft Human Capital Management.
- Create networks from hundreds of career sites and specialized job boards.
- Direct links take job-seekers to your online application page.
- Analyze the success of your streamlined recruiting efforts through personalized metrics and reporting.

PEOPLESFT ENTERPRISE

Through the Oracle PartnerNetwork Applications Integration Initiative, partners with validated integrations are able to provide customers with standards-based vanilla product integrations, tested and validated by Oracle. Customers benefit from improved risk management and smoother upgrade capability, leading to a lower total cost of ownership and greater overall satisfaction.

Integration Details

Arbita OnePost enables PeopleSoft Enterprise HCM customers to select job requisitions for automated posting to Internet job boards. Through Talent Acquisition Manager, recruiters and hiring managers post requisitions and choose job boards, using a streamlined posting menu and leveraging HR-XML compliant transactions. Transactions are sent through Arbita's guaranteed job feeds. Arbita has provided posting capability to PeopleSoft recruiting solutions users since 2001.
