

Oracle Consulting Migration for E-Business Suite on Oracle Compute Cloud Service

Is your organization struggling to define, provision, and manage infrastructure at the pace demanded by your business and development teams? To help ensure your business realizes the value and performance of your new IT infrastructure right from the start, Oracle Consulting offers Oracle E-Business Suite migration services to Oracle Compute Cloud Service. Oracle Consulting provides the experience and leading practices to assist your teams in pivoting to the Oracle Cloud.

KEY FEATURES

- Comprehensive plan for migrating your Oracle E-Business Suite instance(s) to the Oracle Compute Cloud Service
- Fully functioning Oracle E-Business Suite applications on Oracle Compute Cloud Service
- Oracle Consulting leading practices, proven processes, and Oracle product expertise

KEY BENEFITS

- Reduced project risk with Oracle Consulting experts focused on Oracle Applications and Oracle Cloud
- Demonstrate the value and benefits of subscription based application management to your organization
- Accelerate your organization's transition to Oracle Cloud Services and the realization of associated benefits

Realize the benefits of Oracle Applications on Oracle Cloud

Oracle Consulting can help you realize the value and benefits of Oracle E-Business Suite on Oracle Compute Cloud Service with less risk by leveraging our extensive experience, Oracle leading practices and proven delivery approach. Oracle Consulting will lead the engagement working with your IT team to clone your Oracle E-Business Suite environment(s) and prepare your administrators for the innovative new features the Oracle Cloud provides. During the engagement, Oracle Consulting experts will perform the following activities:

- Discover the compute, storage and network environment requirements for the unique Oracle E-Business Suite environment(s)
- Provision the Oracle Marketplace image in the Oracle Compute Cloud Service to create Compute Cloud Service instances to host Oracle E-Business Suite Application(s) and Oracle Database(s)
- Clone and configure your Oracle E-Business Suite environment(s) on the provisioned Oracle Compute Cloud Service environment
- Verify the cloned Oracle E-Business Suite environments on the Oracle Compute Cloud Service

This Oracle Consulting service is delivered by consultants who focus exclusively on Oracle Applications and Oracle Cloud and will provide you with the guidance, thought leadership, and Oracle leading practices you need for success.
