ORACLE CONSULTING PROJECT MANAGEMENT OFFICE SERVICES

As an executive, you need to ensure your organization realizes the highest value for its technology investment, both now and in the future. Oracle Consulting recognizes the value of project management and its impact on the organization and has created these service offerings. They provide options for you to consider as you embark on a new initiative or assess the progress of an existing one. These services provide the level of additional expertise required to ensure the best outcome of your project.

Offerings Overview
For projects managed by a partner or in-house, there are 4 Oracle Consulting Project Management Office Services available:

1. Project Office Start-Up
2. Project Office Assessment
3. Project Office Framework
4. Transformation Optimization Program

Additionally, Oracle Consulting can tailor custom offerings specifically for you.

Offering Details
The Project Start-Up will provide your organization with the knowledge needed to evaluate your own project management readiness and focus on areas that will enable you to improve your chances of project success. This offering is delivered as an onsite workshop with duration of a day. Oracle Consulting will work with you to address:

- Business Strategy Alignment
- Benefits Realization
- Program Measurement
- Project Governance
- Organizational Change Management

The Project Office Assessment will enable your organization to quickly identify areas of weakness, focusing only on those areas including methods, tools, skills, staffing, budget which need improvement and includes recommendations and a specific plan of action. This offering is delivered onsite with duration of 2-4 weeks. Oracle Consulting will work with you to address:

- Scope Management and Change Control
- Work and Staff Management
- Risk, Issue and Problem Management
- Communication Management
- Quality Management
- Configuration, Infrastructure and Procurement Management

The Project Office Framework can add tangible value and achieve project success by embarking on a formal planning process and implementing standard practices that boost...
