

MySQL Certification Value Packages

Two Live Virtual Classes + Certification exam vouchers + FREE Retake!

Recognized industry-wide, MySQL certifications validate your competency, dedication and expertise on the world's most popular open-source database. Oracle University has created these exclusive MySQL packages to get you on the fast track to MySQL certifications.

These exclusive packages include:

- **Preparation training courses:** Get **two Live Virtual Classes (LVCs)** to jumpstart your career. With LVCs, you get the same expert instructor and content as classroom training without the need for expensive travel.
- **Certification exam vouchers:** Redeemable with our certification testing vendor when you are ready to take your exams. Upon successful completion, you will obtain **two certifications**.
- **Free retake:** Include with each exam voucher, your one-time insurance so you can take the exam a second time if needed at no additional cost. This benefit is **ONLY** available in these packages to help you breathe a little easier.
