Frequently Asked Questions

Can I get continuing education credit for attending part of the educational event?

Continuing education credits will be issued to those who attend credit-eligible sessions and successfully complete the continuing education attestation survey by October 9, 2026, for the sessions you attend.

Do the credit hours I receive apply to other state or accrediting organization's continuing education requirements?

It is your responsibility to check with your state or country for which you are licensed, and the organizations where you are credentialed, to see if the OHLSS 2026 continuing education credits will be recognized.

Who can I reach out to with questions regarding continuing education?

For questions not addressed above, you can reach out to the continuing education inbox at cernerCEU@cerner.com. All messages will be responded to within 2-4 business days. This response time allows us to provide the most accurate and current information.
