Summary

Managing Partners are able to:

- Define joint ventures
- Manage the division of interest for each joint venture
- Manage partner contributions to the Joint Venture
- Track and manage budgets, indirect costs, direct costs, revenue, and cash
- Allocate indirect costs and/or calculate overhead expenses
- Distribute expenses, overhead, and revenue to the partners
- Draw on cash calls, create invoices, create vouchers, and create journal entries for the distributed transactions
- Create financial statements and reports and inquire on all Joint Venture data
