Except for nonpayment of fees, the nonbreaching party may agree in its sole discretion to extend the thirty (30) day period for so long as the breaching party continues reasonable efforts to cure the breach. Customer agrees that if it is in breach under this Agreement, Customer may not use those Services ordered. Notwithstanding anything to the contrary in this Agreement and Estimate/Order Form, Oracle China may terminate this Agreement and Estimate/Order Form without any liability to Oracle by giving Customer prior written notice if there are any amendments to existing regulations and any changes to the regulatory practice that restrain the parties from carrying out the transaction as contemplated under this Agreement and Estimate/Order Form.

7.4. Customer agrees that Oracle shall not be liable to Customer or other third party for any suspension pursuant to this Section 7.

8. Confidentiality.

8.1. By virtue of this Agreement, the parties may disclose to each other information that is confidential (“Confidential Information”). Confidential Information shall be limited to the terms and pricing under this Agreement and Customer’s Estimate/Order Forms, Customer Data residing in the Remote Software Service, and all information clearly identified as confidential at the time of disclosure.

8.2. A party’s Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party’s lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party.

8.3. Each party agrees not to disclose the other party’s Confidential Information to any third party other than as set forth in the following sentence for a period of five years from the date of the disclosing party’s disclosure of the Confidential Information to the receiving party; however, Oracle will protect the confidentiality of Customer Data residing in the Remote Software Service for as long as such information resides in the Remote Software Service. Each party may disclose Confidential Information only

to those employees, agents or subcontractors who are required to protect it against unauthorized disclosure in a manner no less protective than required under this Agreement, and each party may disclose the other party's Confidential Information in any legal proceeding or to a governmental entity as required by law. Oracle will protect the confidentiality of Customer Data residing in the Services in accordance with the Oracle security practices applicable to Customer's Estimate/Order Form as described in this Agreement or such Estimate/Order Form.

9. Warranties, Disclaimers and Exclusive Remedies.

9.1. Each party represents that it has validly entered into this Agreement and that it has the power and authority to do so. Oracle China warrants that during the Term, Oracle will perform (i) the Remote Software Service using commercially reasonable care and skill in all material respects as described in the Oracle NetSuite Written Materials, and (ii) any Professional Services and Support Services in a professional manner consistent with industry standards (the warranties described by the foregoing clauses (i) and (ii), collectively, the "Services Warranty"). If the Services provided to Customer were not performed as warranted, Customer must promptly provide Oracle with a written notice that describes the deficiency in the Services (including, as applicable, the service request number notifying Oracle of the deficiency in the Services). For Professional Services, Customer must notify Oracle of any warranty deficiencies within sixty (60) days from performance of the deficient Professional Services.

9.2. ORACLE DOES NOT WARRANT THAT THE SERVICES WILL BE PERFORMED ERROR-FREE OR UNINTERRUPTED, THAT ORACLE WILL CORRECT ALL SERVICES ERRORS, OR THAT THE SERVICES WILL MEET CUSTOMER'S REQUIREMENTS OR EXPECTATIONS. ORACLE IS NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE SERVICES THAT ARISE FROM CUSTOMER DATA OR THIRD PARTY APPLICATIONS OR SERVICES PROVIDED BY THIRD PARTIES.

9.3. FOR ANY BREACH OF THE SERVICES WARRANTY, CUSTOMER'S EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY SHALL BE THE CORRECTION OF THE DEFICIENT SERVICES THAT CAUSED THE BREACH OF WARRANTY, OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALY REASONABLE MANNER, CUSTOMER MAY END THE DEFICIENT SERVICES AND ORACLE CHINA WILL REFUND TO CUSTOMER THE FEES FOR THE TERMINATED SERVICES THAT CUSTOMER PRE-PAID TO ORACLE CHINA FOR THE PERIOD FOLLOWING THE EFFECTIVE DATE OF TERMINATION.

9.4. TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING FOR SOFTWARE, HARDWARE, SYSTEMS, NETWORKS OR ENVIRONMENTS OR FOR MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE.

10. Limitations of Liability.

10.1. IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES, OR ANY LOSS OF REVENUE, PROFITS (EXCLUDING FEES UNDER THIS AGREEMENT), SALES, DATA, DATA USE, GOODWILL, OR REPUTATION.

10.2. IN NO EVENT SHALL THE AGGREGATE LIABILITY OF ORACLE CHINA AND ITS AFFILIATES ARISING OUT OF OR RELATED TO THIS AGREEMENT OR CUSTOMER'S ESTIMATE/ORDER FORM, WHETHER IN CONTRACT, TORT, OR OTHERWISE, EXCEED THE TOTAL AMOUNTS ACTUALLY PAID UNDER CUSTOMER'S ESTIMATE/ORDER FORM OR SOW FOR THE SERVICES GIVING RISE TO THE LIABILITY DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH LIABILITY.

10.3. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, ORACLE OFFSHORE IS NOT A PARTY TO THIS AGREEMENT, AND IN NO EVENT SHALL IT BE LIABLE TO CUSTOMER FOR PERFORMANCE OF THIS AGREEMENT OR FOR ANY BREACH THEREOF.

11. Indemnification.

11.1. If a third party makes a claim against either Customer or Oracle ("Recipient" which may refer to Customer or Oracle depending upon which party received the Material), that any information, design, specification, instruction, software, service, data, hardware, or material (collectively, "Material") furnished by either Customer or Oracle ("Provider" which may refer to Customer or Oracle depending on which party provided the Material) and used by the Recipient infringes the third party's intellectual property rights or violates the third party's data privacy rights, the Provider, at the Provider's sole cost and expense, will defend the Recipient against the claim and indemnify the Recipient from the damages, liabilities, costs and expenses awarded by the court to the third party claiming infringement or the settlement agreed to by the Provider, if the Recipient does the following:

- a. notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim (or sooner if required by applicable law);
- b. gives the Provider sole control of the defense and any settlement negotiations; and
- c. gives the Provider the information, authority and assistance the Provider needs to defend against or settle the claim.

11.2 If the Provider believes or it is determined that any of the Material may have violated a third party's intellectual property

Controller Subscription Services Agreement

rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund any unused, prepaid fees the Recipient may have paid to the other party for such Material. If such return materially affects Oracle's ability to meet obligations under the relevant Estimate/Order Form, then Oracle China may, upon thirty (30) days prior written notice, terminate the Estimate/Order Form. If such Material is third party technology and the terms of the third party license do not allow us to terminate the license, then Oracle China may, upon 30 days prior written notice, end the Services associated with such Material and refund any unused, prepaid fees for such Services.

11.3 The Provider will not indemnify the Recipient if the Recipient (a) alters the Material or uses it outside the scope of use identified in the Provider's user or program documentation or the User Guides, or (b) uses a version of the Material which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was made available to the Recipient. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any Material not furnished by the Provider. Oracle will not indemnify Customer to the extent that an infringement claim is based on a Third Party Application or any Material from a third party portal or other external source that is accessible or made available to Customer within or by the Services (e.g., a social media post from a third party blog or forum, a third party Web page accessed via a hyperlink, marketing data from third party data providers, etc.).

11.4 This Section 11 provides the parties' exclusive remedy for any infringement claims or damages.

12. Governing Law and Jurisdiction. This Agreement, and all matters arising out of or relating to this agreement, shall be construed and governed by the laws of the People's Republic of China and each party agrees to submit to the exclusive jurisdiction of, and venue in, the courts of the People's Republic of China in Beijing in any dispute arising out of or relating to this Agreement.

13. Export.

13.1 Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Services. Such export laws govern use of the Services (including technical data) and any Services deliverables provided under this Agreement, and Customer and Oracle each agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). Customer agrees that no data, information, software programs and/or materials resulting from the Services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

13.2 Customer acknowledges that the Services are designed with capabilities for Customer and Customer Users to access the Services without regard to geographic location and to transfer or otherwise move Customer Data between the Services and other locations such as User workstations. Customer is solely responsible for the authorization and management of User accounts across geographic locations, as well as export control and geographic transfer of Customer Data.

14. General Provisions.

14.1. Entire Agreement.

14.1.1. This Agreement incorporates by reference all URL Terms (as applicable), Exhibits and Estimate/Order Forms, and this Agreement, together with such referenced items, constitute the entire understanding between Customer and Oracle China and are intended to be the final and entire expression of their agreement. The parties expressly disclaim any reliance on any and all prior discussions, emails, RFP's and/or agreements between the parties. There are no other verbal agreements, representations, warranties undertakings or other agreements between the parties.

14.1.2. Under no circumstances will the terms, conditions or provisions of any purchase order, invoice or other administrative document issued by Customer in connection to this Agreement be deemed to modify, alter or expand the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of Oracle to object to such terms, provisions, or conditions. In the event of any inconsistencies between the terms of an Estimate/Order Form and the Agreement, the Estimate/Order Form shall take precedence; however, unless expressly stated otherwise in an Estimate/Order Form, the terms of the Data Processing Agreement shall take precedence over any inconsistent terms in an Estimate/Order Form.

14.1.3. The Agreement shall not be modified, or amended, except as expressly set forth herein, or in writing and signed or accepted electronically by the party against whom the modification, amendment or waiver is to be asserted, or by a properly executed Estimate/Order Form or SOW. Notwithstanding the above, Customer may be presented with additional click through agreements prior to enabling optional services or features. Customer acknowledges that these click through agreements as well as, the agreements found at <https://www.oracle.com/corporate/contracts/cloud-services/netsuite/>, shall apply if optional services or features are subsequently ordered or activated. For clarity, such other click through agreements will only apply to such optional services or features.

14.2. Other General Provisions.

14.2.1. This Agreement shall inure to benefit and bind the parties hereto, their successors and assigns. Customer may not assign this Agreement or give or transfer the Services or any interest in the Services to another individual or entity. There are no third-

party beneficiaries to this Agreement.

14.2.2. Oracle is an independent contractor, and each party agrees that no joint venture, partnership, or agency relationship exists between the parties.

14.2.3. Oracle China's business partners and other third parties, including any third parties with which the Services have integrations or that are retained by Customer to provide consulting services, implementation services or applications that interact with the Services, are independent of Oracle China and are not Oracle China's agents. Oracle makes no representation or warranty about the suitability of any Oracle business partner or any third party in connection with the provision of consulting services, implementation services or applications. Customer is solely responsible for selection of any third parties Customer engages to provide consulting services or implementation services. Oracle China is not liable for, bound by, or responsible for any problems with the Services or Customer Data arising due to any acts of any such business partner or third party, unless the business partner or third party is providing Services as Oracle China's subcontractor on an engagement ordered under this Agreement and, if so, then only to the same extent as Oracle China would be responsible for our resources under this Agreement.

14.2.4. If any provision is held by a court of competent jurisdiction to be contrary to law, such provision shall be eliminated or limited to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect. A waiver of any breach under this Agreement should not constitute a waiver of any other breach or future breach.

14.2.5. Force Majeure. Neither Customer nor Oracle shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; pandemic; electrical, Internet, or telecommunications outage that is not caused by the obligated party; government restrictions (including without limitation, an embargo, economic sanction or the denial or cancelation of any export, import or other license); or other event outside the reasonable control of the obligated party. Both Customer and Oracle will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than thirty (30) days, either Customer or Oracle may cancel unperformed Services and affected Estimate/Order Forms upon written notice. This Section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures or Customer's obligation to pay for the Services.

14.2.6. Non-Impediment. Nothing in this Agreement shall be construed as precluding or limiting in any way the right of Oracle to provide consulting, development, or other services of any kind to any individual or entity (including without limitation performing services or developing materials which are similar to and/or competitive with the Professional Services and/or Deliverables hereunder).

14.2.7. Intentionally left blank.

14.2.8. The Section headings used in this Agreement are included for reference purposes only and shall not affect the meaning or interpretation of this Agreement in any way. Provisions that survive termination or expiration of this Agreement are those relating to limitation of liability, indemnification, payment and others which by their nature are intended to survive. This Agreement may be executed in counterparts and/or by facsimile or electronic signature and if so executed shall be equally binding as an original copy of this Agreement executed in ink by both parties.

15. Privacy Term. Unless stated otherwise in your agreement, you understand and agree that the use of Oracle products and/or services is subject to Oracle.com Terms of Use at <https://www.oracle.com/legal/privacy/index.html> and Oracle's Privacy Policy at <https://www.oracle.com/legal/privacy/privacy-policy.html>, which are incorporated herein by reference, including the fact that Oracle may transfer your personal information collected in connection with your registration on Oracle websites and your agreement to its affiliates globally at <https://www.oracle.com/corporate/contact/global.html> and to third party entities at <https://www.oracle.com/corporate/contact/suppliers.html> that provide services to Oracle. Prior to providing any personal information to Oracle, you need to provide all notifications to the individuals of those personal information and obtain any consent that may be required under applicable laws and regulations from those individuals of the personal information (including separate consent to the cross-border data transfer of their personal information), so as to facilitate Oracle's worldwide use, storage, transfer, disclosure or otherwise processing of such personal information for the performance of this agreement.
