

Oracle Federal Forum

March 31, 2026 | Washington, DC

GovExec is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its web site: www.nasbaregistry.org.

After completing this course, you will be able to: understand how agencies are accelerating government transformation with secure, transparent, and mission-ready AI, understand how the government can harness data and generative AI for decision advantage, and understand how the government can deliver more mission, value, and innovation – at lower cost and risk.

To register for this session, enter your information [here](#). If you have any questions about how to register, please contact fedforum_us@oracle.com. If you have questions about CPE Credits, please contact govexec.events@govexec.com. **If you would like to indicate interest in receiving CPE credit, please contact Beka Troutman after the event [btroutman@govexec.com]**. In order to receive full credit, you must attend for at least 50 minutes and document your attendance by signing in and out at the registration desk.

Participants will earn up to 7 CPE credits in Information Technology. Participants will earn 1 CPE credit for each 50 minutes of participation and document your attendance by signing in and out at the registration desk.

Field of Study: Information Technology

Additional Information Prerequisites: None

Who Should Attend: Government employees, contractors and anyone else who is interested in learning about government transformation and federal modernization.

Advanced Preparation: None

Program Level: Basic

Delivery Method: Group Live
