### Oracle CloudWorld | October 17–20, 2022, Las Vegas, NV

Come join us in Las Vegas, NV for Oracle CloudWorld. You can explore the latest technical innovation as well as get product demos, advanced best practices, training, and insights from Oracle experts. To register, see keynote speakers, sessions, and more visit the [Oracle CloudWorld](#) site.

## From the desk of the Managing Editor

In this issue of the Oracle Database Insider, you will find two new sections, one called Oracle@Oracle which shares how Oracle is using Autonomous Database to successfully run its own business. The other, All About Autonomous, is dedicated to the stories about Autonomous Database. Talk to us. Send us your feedback! My name is Suresh Rajan, and I am joining as Assistant Editor. I work with Bill Sawyer, the Managing Editor. You can email us at [bill.sawyer@oracle.com](mailto:bill.sawyer@oracle.com) or [suresh.r.rajan@oracle.com](mailto:suresh.r.rajan@oracle.com).

## Upcoming events | event recaps

### AnDOUC TechCast Days

This 3-day live virtual event has daily themes focusing on Spatial/Machine Learning and Analytics, and a special day is devoted to Data Lakehouse architectures. There are sessions for developers, DBAs, architects, and IT managers, and also include use cases from the utilities and airport industries. This is a free event. [View the agenda and register.](#)

### Oracle Database World | Replays

Heads up all you developers, DBAs, analysts and data scientists out there! All the latest Oracle Database World 2022 (ODW '22) presentations are now available for replay on-demand on YouTube (with no registration required)! ODW '22 was designed to help you get the most out of your data by sharing practical, technical knowledge from Oracle Database experts. Read more on the [Database Insider blog](#).

## Learn more... for free!

**Build Expertise** with hundreds of Oracle workshops on a variety of Oracle products, 24x7 for free, on [Oracle LiveLabs](#).

**Learn, Write, and Share SQL** at Oracle's interactive [Live SQL](#) site, built with Oracle APEX running on Oracle Database.

**Build Muscles** at the [Oracle Dev Gym](#) by taking workouts, quizzes and even entire classes on SQL, PL/SQL, database design, logic and more.
