

Launch the EuroCIS with an exclusive look behind the scenes of Oracle Retail. Visit us at Love Retail event on 19 or 20.2. 2019 at 08.30 and enjoy your retail innovations with an exclusive breakfast.

Today, international trade relies on Oracle and, following recent reports, the failure of the trade press to implement the proven solutions of a trusted partner. Get to know your customers and get to know your individual, punctual projects in houses like Hugo Boss and Sportscheck.

Discover the news from the NRF with highlights from the cloud solutions for the retail industry. Within 90 minutes you will get an insight into the innovations of Oracle Retail.
