INDEPENDENT AUDITOR'S REPORT

To the Members of **Mantas India Private Limited**

Report on the Audit of Ind AS Financial Statements

Opinion

1. We have audited the financial statements of Mantas India Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

2. We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 ("the Act") and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Ind AS financial statements.

Other Information (Information other the financial statements and Auditor's report thereon)

3. The Company's Board of Director's is responsible for the other information. The other information comprises the information included in the Annual Report i.e. Director's Report but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we

will not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Responsibility of Management for the Financial Statements

4. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

5. Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with Standards on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

i) Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. In making risk assessments, we consider internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. but not for the purpose of expressing an opinion on whether the Company has an adequate internal financial control system over financial reporting in place and the operating effectiveness of such controls

iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

v) Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
7. As required by section 143 (3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of Ind AS Financial Statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the provisions of said section are not applicable to the Company.
 - (f) On the basis of written representations received from the Members of the Board of Directors as on 31st March 2021 taken on record by the Board of Directors, none of the directors of the Company is disqualified as on 31st March 2021 from being appointed as director in terms of Section 164 (2) of the Act.
 - (g) Reporting on adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls is not applicable as per the notification No. G.S.R 583 (E) issued by Ministry of Corporate Affairs, Government of India, dated June 13, 2017.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company does not have any pending litigations which could impact its financial position
- ii) The Company does not have any long term contracts including derivative contracts for which there are any material foreseeable losses and thus no provision is required under the applicable law or Accounting Standards towards material foreseeable losses.
- iii) There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company.

Mantas India Private Limited

Notes annexed to and forming part of financial statements for the year ended March 31, 2021

Note 1: Corporate Information:

Mantas India Private Limited (the 'Company') was incorporated in India on May 25, 1999. The Company is domiciled in India and has its registered office at Saket, New Delhi, India. The Company is a subsidiary of Oracle Financial Services Software Limited holding 99.99% (March 31, 2020 – holding 99.99%) ownership interest in the Company as at March 31, 2021.

The Company is principally engaged in the development and installation of computerized systems, conduct feasibility studies, systems analysis and design, design of special software and system and application software and to sell/provide computer time on or other available computer installations.

The financial statements for the year ended March 31, 2021 were approved by the Company's Board of Directors and authorized for issue on May 3, 2021.

Note 2: Summary of Significant Accounting Policies:

(a) Basis of preparation

These financial statements comprising of balance sheet as at March 31, 2021, statement of profit and loss, statement of changes in equity and statement of cash flows for the year then ended have been prepared in accordance with Ind AS as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with relevant rules of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

The financial statements have been prepared on a historical cost basis.

(b) Summary of significant accounting policies

The significant accounting policies adopted by the Company, in respect of the financial statements are set out as below:

i) Use of estimates:

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses for the year reported. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised.

Notes annexed to and forming part of financial statements for the year ended March 31, 2021

ii) Revenue recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Interest income :

Interest income is recognized using the effective interest method.

iii) Property, Plant & equipment:

The Company does not have property, plant and equipment.

iv) Leases:

Company as a Lessee

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

The Company recognizes right-of-use asset and a corresponding lease liability for all lease arrangements in which the Company is a lessee, except for a short term lease of 12 months or less and leases of low-value assets. For short term lease and low-value asset arrangements, the Company recognizes the lease payments as an operating expense on straight-line basis over the lease term.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease arrangement. Right-of-use assets and lease liabilities are measured according to such options when it is reasonably certain that the Company will exercise these options.

The right-of-use asset are recognized at the inception of the lease arrangement at the amount of the initial measurement of lease liability adjusted for any lease payments made at or before the commencement date of lease arrangement reduced by any lease incentives received, added by initial direct costs incurred and an estimate of costs to be incurred by the Company in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term

or useful life of right-of-use asset. Estimated useful life of right-of-use assets is determined on the basis of useful life of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss, if any is recognized in the statement of profit and loss account.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease arrangement or, if not readily determinable, at the incremental borrowing rate in the country of domicile of such leases. Lease liabilities are remeasured with corresponding adjustments to right-of-use assets to reflect any reassessment or lease modifications.

v) Accounting for the effects of changes in foreign exchange rates:

Income/expenses in foreign currency is translated at the rate of exchange on the date of the transaction. Assets and liabilities denominated in foreign currencies are translated at the closing rate prevailing as at the year end date. Exchange difference arising on foreign currency transactions is included in the statement of profit and loss.

vi) Earnings per share:

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless they have been issued at a later date. The diluted potential equity shares have been arrived at, assuming that the proceeds receivable were based on shares having been issued at the average market value of the outstanding shares. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

vii) Income taxes:

Current Tax : Provision for income tax is made on the basis of the estimated taxable income for the current accounting period in accordance with the Income Tax Act, 1961.

Deferred Tax: The Company has not recognized deferred tax asset as a matter of prudence.

Appendix C to Ind AS 12 Uncertainty over Income Tax Treatments:

The interpretation addresses the accounting for income taxes when tax treatments involve uncertainty that affects the application of Ind AS 12 and does not apply to taxes or levies outside the scope of Ind AS 12, nor does it specifically include requirements relating to interest and penalties associated with uncertain tax treatments. The interpretation specifically addresses the following:

- Whether an entity considers uncertain tax treatments separately
- The assumptions an entity makes about the examination of tax treatments by taxation authorities
- How an entity determines taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates
- How an entity considers changes in facts and circumstances

An entity has to determine whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments. The approach that better predicts the resolution of the uncertainty should be followed. In determining the approach that better predicts the resolution of the uncertainty, an entity might consider, for example, (a) how it prepares its income tax filings and supports tax treatments; or (b) how the entity expects the taxation authority to make its examination and resolve issues that might arise from that examination.

viii) Cash and cash equivalents:

Cash and cash equivalents for purpose of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

ix) Provisions:

Provisions are recognized when Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability when discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
