

# Pack your bags

Here's a list of the most important things put into your suitcase.

## Travel items

These items go into your carry-on bag and help make your trip to Las Vegas a little smoother:

- Driver's license or passport
- Headphones, a book, or tablet
- Light jacket

## Business items

You'll be taking notes and making connections. Be sure to bring your:

- Smartphone
- Laptop
- Portable battery and USB cable
- Notebook and pen
- Business cards

## 3. Personal items

Just like any vacation, you'll need:

- Cash and a credit card
- Health insurance card
- Personal care items

## 4. Clothing

From casual to business casual, you're welcome to wear whatever makes you comfortable at CloudWorld. Some suggestions include nice jeans, khakis, slacks, skirts, dresses, blouses, polos, and button-down shirts. Comfortable walking shoes are a must, and you may want a sweater or jacket for air-conditioned rooms. Don't forget to plan for evening events like the welcome reception and The Party.
