2023 Oracle Health Conference Continuing Education Information

Receiving CEU's for conference attendance:

1. Attend eligible in-person sessions that are tagged by credit type online and in the mobile app.
   - o No virtual sessions offer CEUs for this OHC2023.
   - o See additional credit type information below

2. Complete the CEU evaluation at the end of the conference on 9/20 to attest for the number of CEUs earned.

   - o For ACPE, CME, CNE, and ASWB credit:
     - ▪ The attestation survey will be opened on Wednesday, September 20th at noon.
     - ▪ Once you complete the CEU evaluation, your certificate will be auto-generated and emailed immediately to the email you provide in the survey.
     - ▪ Download the certificate and save to your personal folder.

NOTE: The CEU survey will remain open until October 11, 2023. At that time, the survey will close and results reported to our accrediting organizations. We will not re-open the survey after the close date for late attestations.

For CHIME and HIMSS:

Self-report your credits to your professional organization per instructions listed above. No further action is needed.

PRE-CONFERENCE EVENT – an evaluation link will be provided for attendees at the close of the following event.

Interoperability Collaboration Forum

ORACLE HEALTH CONFERENCE

Target audience
The target audience for this conference includes health care professionals, such as physicians, nurses, pharmacists, and social workers as well as other professionals and members of the healthcare team involved in the advancement of health and care.

Learning outcomes
After attending this activity, members of the healthcare team should be able to identify ways to improve the operational and financial health of their organization.

Learning objectives
1. Identify methods that can be used to improve the clinical experience and deliver equitable care for people and populations.
2. Identify the latest innovations in healthcare and health information technology.
3. Discuss processes to optimize data, information, resources and technology within the health care organization to optimize efficiency and accuracy across the interprofessional team.
4. Employ collaboration between interprofessional healthcare teams.

Conflict of interest disclosures for qualifying CEU sessions:

The below disclosed relevant financial interest has been mitigated and resolved.

Mariah Baltezegar, MBA - PPAS & RWE, the PPD clinical research business of Thermo Fisher Scientific, Salary

The remaining speakers, content managers, and planning committee members from Oracle Cerner do not have any relevant financial interests to disclose.

In accordance with Joint Accreditation policy, Oracle Cerner identifies conflicts of interest with its speakers, content managers and other individuals who are in a position to control the content of an activity. Conflicts are resolved by Oracle Cerner to ensure that all educational content used in a continuing education activity conforms to the Joint Accreditation Standards for Integrity and Independence.

In-person continuing education credits are available for:

ACPE (Accreditation Council for Pharmacy Education)
Pharmacy credit*

Cerner Corporation designates this continuing education activity for **5** contact hours (0.5 CEUs) of the Accreditation Council for Pharmacy Education. This is activity is certified as knowledge-based CPE.

* All ACPE-approved sessions are tagged in your OHC mobile app and in the online session list.

ASWB (Associate of Social Work Boards)
Social Worker credit*

As a Jointly Accredited Organization, Cerner Corporation is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Cerner Corporation maintains responsibility for this course. Social workers completing this course receive **3** general social work continuing education credits (.3 CEUs).

* All approved sessions are tagged in your OHC mobile app and in the online session list.

CAHIMS/CPHIMS (Certified Associate of Healthcare Information and Management Systems/Certified Professional of Healthcare Information and Management Systems)*

This program has been approved for continuing education (CE) hours for use in fulfilling the continuing education requirements of the Certified Professional in Healthcare Information and Management Systems (CPHIMS) and Certified Associate in Healthcare Information and Management Systems (CAHIMS). To obtain CE credit for this activity, attendees will self-report sessions attended.

*All HIMSS-approved sessions are tagged in your OHC mobile app and in the online session list.

Frequently Asked Questions

Can I get continuing education credit for attending part of the educational event?
Continuing education credits will be issued to those who attend credit-eligible sessions and successfully complete the continuing education attestation survey by October 11th for the sessions you attend.

Do the credit hours I receive apply to other state or accrediting organization's continuing education requirements?
It is your responsibility to check with your state or country for which you are licensed and the organizations where you are credentialed to see if the OHC2023 continuing education credits will be recognized.

Who can I reach out to with questions regarding continuing education?
For questions not addressed above, you can reach out to the continuing education inbox at cernerCEU@cerner.com. All messages will be responded to within 2-4 business days. This response time allows us to provide the most accurate and current information.
