

THE CLOUD

THE DEATH OF
ASSET WOES!

AS THE CLOUD REIGNED OVER HIS UTILITY DOMAIN...

...OVER DATA AND DIODES...OVER
...OVER PYTHON AND PLATFORMS...SMS AND VOLTAGE...
...OVER CONNECTIONS AND CURRENTS...

HIS WORLD GREW EVERMORE INFINITE EVERY DAY,
EXPANDING LIKE A BUSINESS-FUELED BIG BANG.

MEANWHILE...

FAILURE!

THERE'S PERIL AND PANDEMONIUM
AT THE LOCAL WATER UTILITY AS A
VALUABLE AND VITAL ASSET...

FAILS

FAILS

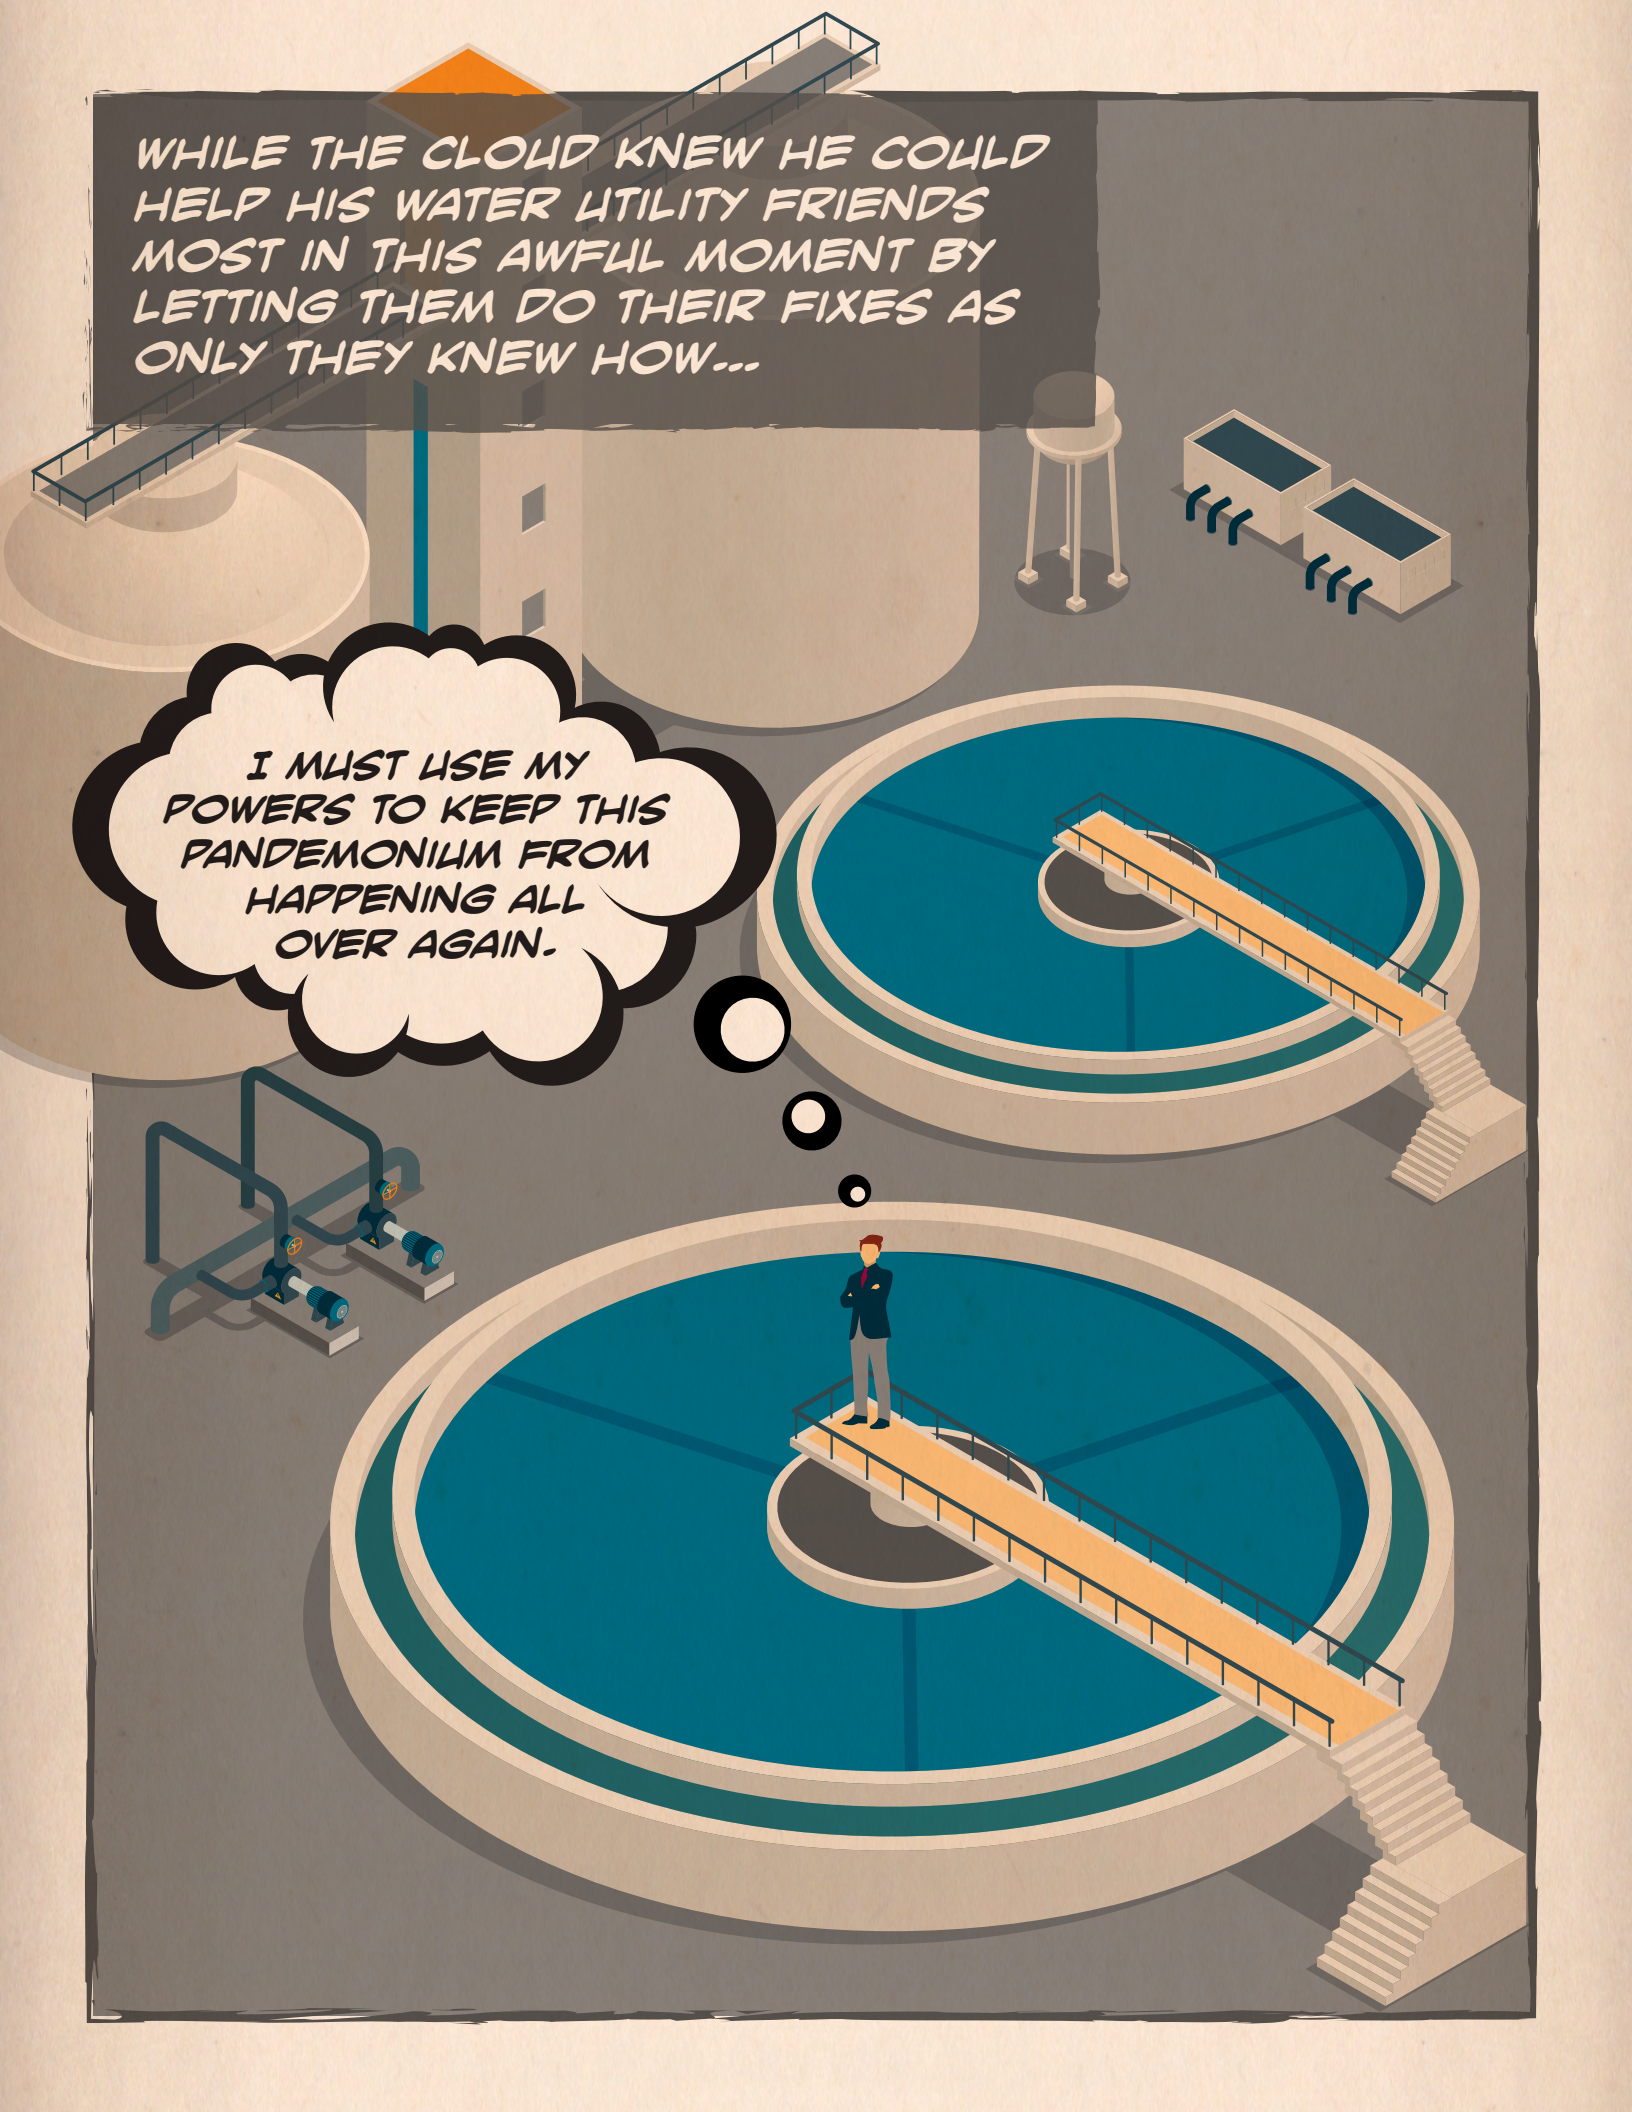

FAILS

FAILS

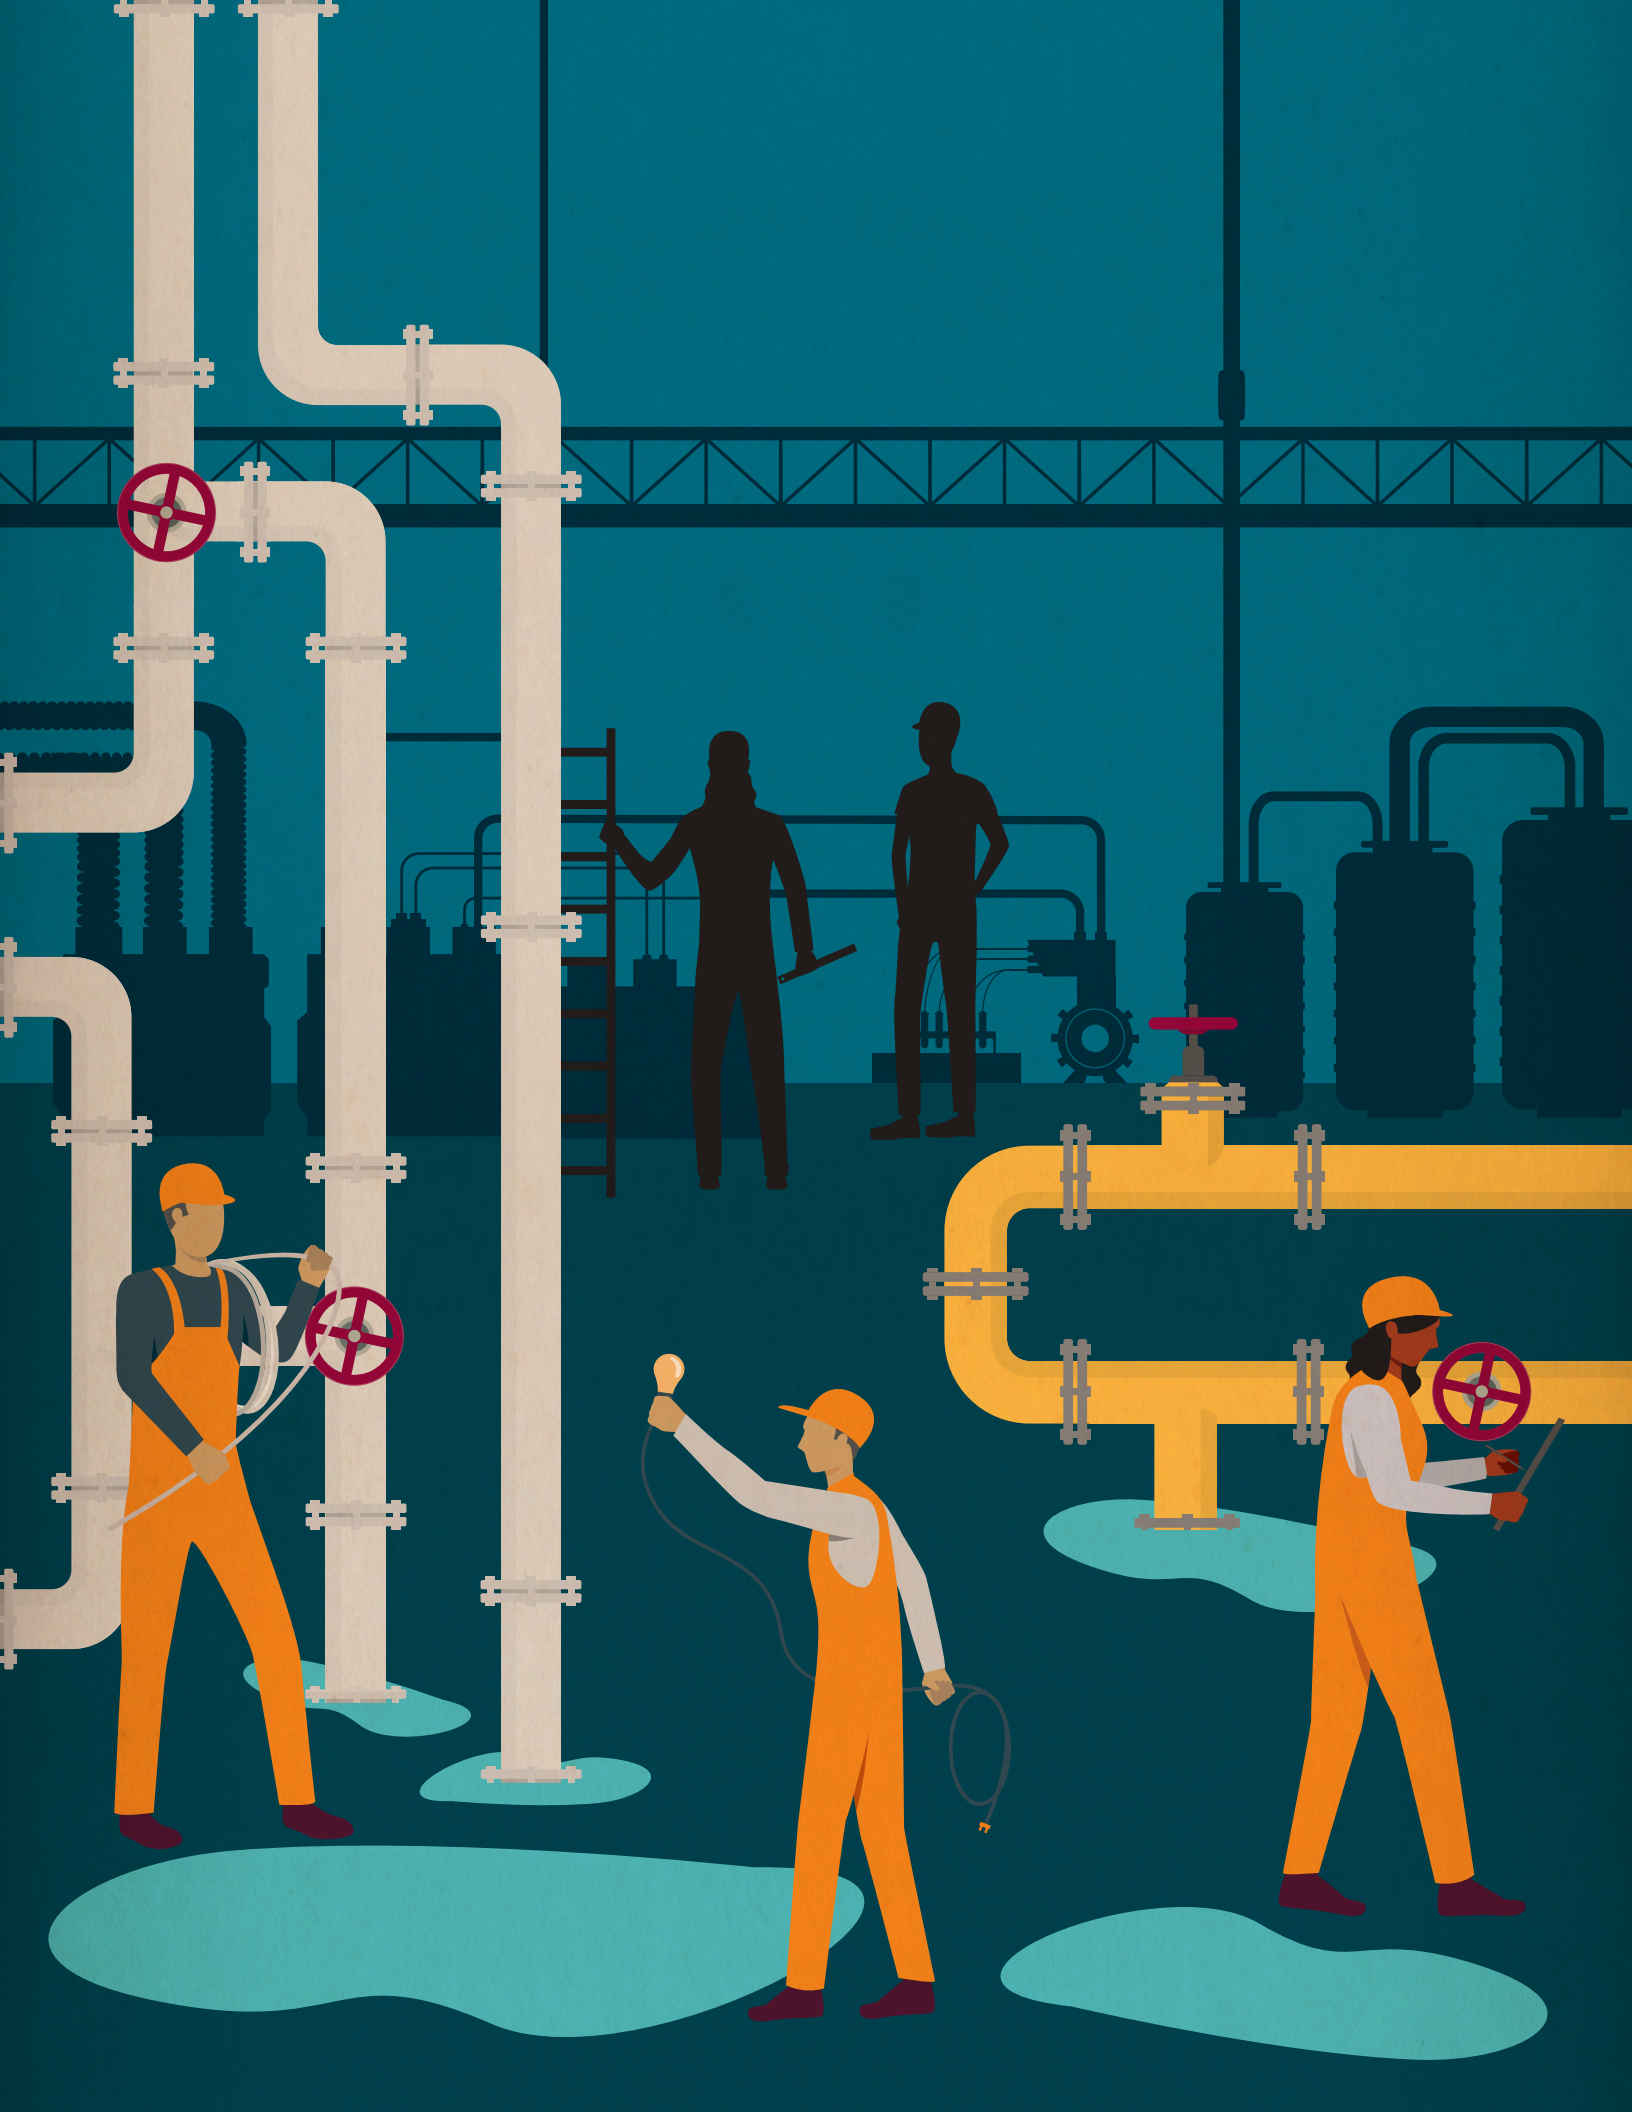

FAILS

WHILE THE CLOUD KNEW HE COULD
HELP HIS WATER UTILITY FRIENDS
MOST IN THIS AWFUL MOMENT BY
LETTING THEM DO THEIR FIXES AS
ONLY THEY KNEW HOW...

I MUST USE MY
POWERS TO KEEP THIS
PANDEMONIUM FROM
HAPPENING ALL
OVER AGAIN.

WATCHING THE WATER UTILITY TEAM BATTLE BRAVELY AGAINST ASSET FAILURE ON SUCH A LARGE SCALE AND WIN, THE CLOUD REALIZED THAT HE COULDN'T FIND THE PREVENTION ANSWER ALONE...

LIKE THEM, HE NEEDED PARTNERS WITH UNIQUE POWERS, ONES THAT COMPLEMENTED HIS OWN...

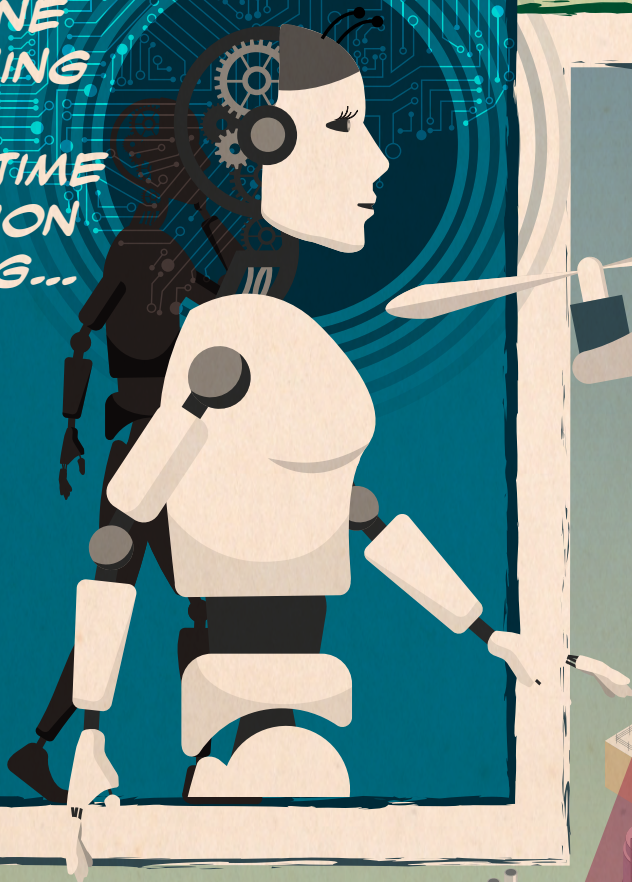

...ONES THAT
COULD MAKE HIS
EVEN STRONGER

SO, FROM EVERY FAR-FLUNG CORNER OF THE UTILITY BUSINESS UNIVERSE, HE ASSEMBLED THEM...

FIRST CAME IOT, A MAN WITH THE AMAZING ABILITY TO TAP INTO EVERY UTILITY DEVICE...

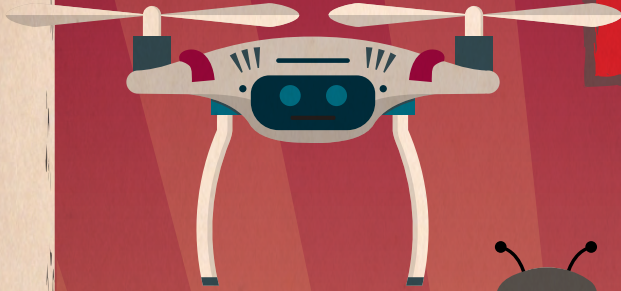

THEN AI BROUGHT HER TWIN WINNING WEAPONS OF MACHINE LEARNING AND REAL-TIME DECISION MAKING...

AND FINALLY DRONE CALLED UP VISUALIZATION, GIVING EVERY UTILITY TEAM AN ALL-SEEING EYE INTO THEIR ASSETS.

ENABLING PREDICTIVE PLANNING AND SMARTER OPS STRATEGIES FOR EVERY UTILITY...

TOGETHER, THIS WINNING TEAM MEANS ONE THING...
