

OUR SPHERES OF INFLUENCE

(OR HOW WE'RE CHANGING THE UNIVERSE)

Our Opower energy efficiency programs saved the world **24 TWH of power**

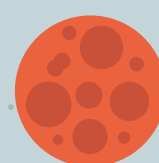

Our C2M simplified utility billing for **550 million consumers**

Our analytics parsed **1K terabytes** of smarter grid data

Our WAM protected **\$155 billion** in utility resources

Our NMS helped shorten outages for **55 million people**

Our Opower Proactive Alerts prevented more than **90 million moments** of high-bill surprise

Our MDM interpreted more than **700 billion meter reads** (in a single year)

We've guided **450 utilities** into the cloud (and growing)
