Oracle OpenWorld Terms and Conditions

Per Oracle rules and regulations, every attendee must register for the conference him/herself using his/her own Oracle.com single signon (SSO) login. If an attendee does not have an Oracle.com account already created, he/she must create one.

Attendees must use their own badge while onsite at the event. Badges are nontransferable and may not be shared onsite. Any person found to be in violation of this policy will have their badge confiscated by event personnel and will be asked to leave the conference.

You must be at least 18 years of age to attend the conference. Anyone under the age of 21 will not be able to attend Oracle CloudFest.18, even if accompanied by an adult.

Government Rate Eligibility

The government rate is open to bona fide employees of a national/federal, state, provincial, or local government entity, including public higher education institutions. US and Canadian attendees registering under the government rate will be required to show their employer-issued government ID or other proof of government employment during check-in at Moscone Center or the San Francisco Marriott Marquis. Attendees from outside the US and Canada registering under the government rate will be required to fax or email proof of government employee status (copy of government photo ID or a letter on official government letterhead stating that they are an employee of that organization) to the Oracle OpenWorld registration team in order to receive the discounted rate. Oracle may, at its sole discretion, charge the full Oracle OpenWorld conference rate to anyone not satisfying these requirements. Government discounts, with or without an Oracle CloudFest.18 ticket, are available to those who qualify.

Substitutions

Substitutions can be requested by sending an email to the Oracle OpenWorld registration team at OpenWorldReg@gpj.com with the names of both the original and substitute registrants. All requests for substitutions must be received no later than 5:00 p.m. PT on October 20, 2018, pending Oracle Event Staff approval. Substitution requests received after this time will incur a US\$100 processing fee.

Cancellations

All cancellations must be received via an email sent to the Oracle OpenWorld registration team at OpenWorldReg@gpj.com. Cancellation of travel and hotel reservations is the exclusive responsibility of the registrant. Note: Refund policy does not apply to packages where no registration fee has been paid. Refunds will not be given to attendees who do not pick up their badge credentials onsite. Other expenses, such as travel and hotel reservations, are not subject to a refund.

- Full refund: Cancellations must be received by September 7, 2018, 5:00 p.m. PT.
- 50% refund: Cancellations must be received between September 7, 5:01 p.m. and September 28, 2018, 5:00 p.m. PT.
- No refunds will be given for cancellations received after September 28, 2018, 5:00 p.m. PT.
- No refunds are given for any group passes purchased.
- No refunds are given if a visa application is denied after the deadlines outlined above.
- Any requests for refunds following the actual event must be submitted by email no later than December 31, 2018, 5:00 p.m. PT.

Oracle reserves the right to refuse registration or admission to anyone for any reason. If Oracle cancels your registration, Oracle will provide a full refund of the registration fee.
