Oracle E-Business Suite Enterprise Command Centers: Demo Flow Videos are Now Available

Oracle is pleased to announce the availability of several short videos (~10 minutes) that show how [Oracle EBS Enterprise Command Centers](#) can help you identify and act on top business priorities. In the videos, Cliff Godwin, Senior Vice President, Applications Development, joins with Oracle E-Business Suite product experts to discuss and then demonstrate real business use cases for selected Enterprise Command Centers.

The following demo flow videos are now available:

[Manage Cash Flow Efficiently with Oracle EBS Enterprise Command Centers](#)

Muhannad Obeidat, Vice President, Applications Development, demonstrates EBS Enterprise Command Centers for Oracle Receivables and Oracle Payables.

[Expedite Order Fulfillment with Oracle EBS Enterprise Command Centers](#)

Bill Reilly, Product Management Director, demonstrates EBS Enterprise Command Centers for Oracle Order Management and Oracle Inventory.

[Consumer-Like Shopping in iProcurement with the Oracle EBS Enterprise Command Center Framework](#)

Mark Peachey, Senior Director, Product Management, demonstrates a consumer-like shopping experience in Oracle iProcurement enabled by the Enterprise Command Center Framework – the same development framework used for EBS Enterprise Command Centers.

[Expedite Projects Period Close with Oracle EBS Enterprise Command Centers](#)

Tim Hricko, Senior Director, Product Management, demonstrates EBS Enterprise Command Centers for Oracle Projects.

[Manage Production Operations Efficiently with Oracle EBS Enterprise Command Centers](#)

Venkat Visweswaran, Senior Director, Product Management, demonstrates EBS Enterprise Command Centers for Oracle Discrete Manufacturing and Oracle Process Manufacturing.

[Manage Maintenance Operations Efficiently with Oracle EBS Enterprise Command Centers](#)

Lenore Siegler, Senior Director, Product Management, demonstrates EBS Enterprise Command Centers for Oracle Enterprise Asset Management.
