

Easy Online Claims Management

Cash Flow

- Fewer pay delays
- Direct ERP exports
- Fast-tracked payment via Subcontractor Early Payment

Paperless

- Electronic claim lodgement
- Automated supporting document creation
- Secure compliance collection

Visibility

- Real-time payment status
- Compliance tracking
- Automated notifications

Savings

- Eliminates travel, mailing costs
- Cuts manual steps
- Saves you time

Oracle Textura Payment Management automates the entire construction payment management process, enabling subcontractors to spend less time filling out paperwork, reduce payment delays, and stay on top of compliance.

Secure and easy-to-use, Oracle Textura Payment Management enables easy online entry of variations, submission of payment claims and supporting documents, and tracking of project status. Oracle Textura Payment Management also reduces the risk of payment delay with real-time documentation updates and supply chain financing options.
