

Oracle Hospitality Suite8 Property webConnect

THE FASTEST WAY TO CONNECT WITH YOUR GUESTS

KEY FEATURES

- Seamlessly integrated with Oracle Hospitality Suite8 Property solutions
- Efficient, one-time-only data entry in Oracle Hospitality Suite8 Property solutions
- Automatic booking confirmation
- Company and group booking rates on display
- Direct payment processing via external payment providers
- Online shopping cart
- Optimized for mobile devices

KEY BENEFITS

- Eliminate fees for online bookings
- Enable guests to directly book their own rooms, tables, events, gift certificates, package deals, and other extras in one easy step
- Eliminate transmission mistakes
- Instantly update current rates, availability, pictures, and descriptions through Oracle Hospitality Suite8 Property solutions

Oracle Hospitality Suite8 Property webConnect is an online booking engine that allows your customers to make online reservations from any device—whether a laptop or a smartphone—all without incurring any extra fees for you. It links your hotel website with Oracle Hospitality Suite8 Property solutions, making it easy to present your hotel at its best.

Always Up to Date

Input room and rate information into Oracle Hospitality Suite8 Property solutions and the changes are instantly updated on your hotel website. Current package deals and special events are also instantly displayed online—eliminating mistakes or delays in transmission between individual systems.

Oracle Hospitality Suite8 Property webConnect is the easy way to increase your online success.

Showcase Your Rooms to Capture More Bookings

Your guests book online using the standardized Oracle Hospitality Suite8 Property webConnect booking engine, which offers a fully responsive design for optimized use on mobile devices. Your attractive hotel room pictures, descriptions, overnight rates, and prices are uploaded directly from Oracle Hospitality Suite8 Property solutions. Once new bookings are made on the website, they are immediately stored in the Oracle Hospitality Suite8 Property solutions database, meaning that availability and occupancy information is always up to date.

RELATED PRODUCTS

Corporate Rates and Group Bookings

With Oracle Hospitality Suite8 Property webConnect, you extend exclusive access to attractive rates and group discounts to your corporate customers. Booking confirmations are generated automatically so customers can print or save them immediately. Such convenience and flexibility lead to customer loyalty and long-term business partnerships.

Online Event Promotions

It has never been easier to generate additional sales online. You can promote concerts and special events with Oracle Hospitality Suite8 Property webConnect and increase traffic to your website. Tickets are sent automatically to customers at no extra expense to you.

Restaurant and Bar Reservations

When you present your range of culinary options and beverages online, your food and beverage areas will benefit from Oracle Hospitality Suite8 Property webConnect, too. Enable your guests to book tables via your website and boost sales by offering gift certificates for wine seminars, whiskey tastings, special occasion menus, and more.

Online Payment Flexibility

It's easy to add online payment services such as PayPal, Telecash, SIX Payment Services (Saferpay), VR Pay, and B+S Card Service to your website. Your customers will enjoy increased payment flexibility, and even nonrefundable bookings are not difficult to promote.

Solicit Feedback

Take advantage of modern pre- and post-stay communication technology with Oracle Hospitality Suite8 Property webConnect and Oracle Hospitality Suite8 Property solutions. Surprise guests with individual upgrade offers and inspire them to leave positive feedback for your hotel by sending a simple online, follow-up questionnaire.
