

The Oracle MICROS Workstation 625E

The new Oracle MICROS Workstation 625E Series delivers the power of an enterprise hardware platform scaled to meet the specific operation and service needs of small food and beverage operations.

LIGHTWEIGHT, STURDY, AND STYLISH

Restaurants can be tough on technology, from spills and drops to mealtime rushes, and they need a hardware solution with modern features that can also withstand the demands of rugged, day-to-day use. Our hardware is purpose-built for the restaurant environment with the processing power, payment capabilities, and durability you need to operate a successful food and beverage outlet. Featuring a stylish, modern design and a slim footprint, the new Workstation 6 family works hard and looks good.

KEY FEATURES

Our Workstation 625E Series is a lightweight, affordable workstation geared towards small food and beverage operations. Dependability and reliability are core to the solutions we provide, and the Workstation 625E is built to perform better and faster than consumer devices. For larger operations that want the ultimate in durability, our premium hardware offering of Workstation 625X and Workstation 655X provide the industry's most-trusted solution.

BENEFITS

- Choice of Oracle MICROS Linux or Windows OS
- Maximized power supply for longer device lifetime
- Large screen for easier order entry
- Powerful dual-core processor delivers the reliability, performance, and transaction speed a restaurant needs
- Modern storage technology enables faster access to information, quicker boot up time, and a more responsive user experience
- Clean, secure, and integrated device hardened to withstand day-to-day abuse common in the service industry

WORKSTATION SPECIFICATIONS

- Additional video and powered I/O ports
- Additional 10/100/1000G ethernet port
- Compatible with external power supply for mounting

HARDWARE COMPATIBILITY
