METRIC DEFINITIONS

Per Individual Subscriber is defined as one individual who is authorized by You to use one or more of Your licensed services for the Oracle Communications Launch Cloud Service.

For example, an individual subscriber may be tracked as a customer record/account in Your licensed service or other related subscriber databases (e.g., customer relationship management system or ordering/procurement application).

Per Hosted \$M Revenue Under Management is defined as 1 million U.S. dollars of all income (interest income and non-interest income), before adjustments for expenses and taxes, generated in the preceding 12 months by Your business(es) that use the Oracle Communications Launch Cloud Service.

SERVICE DESCRIPTIONS

Oracle Communications Launch Cloud Service

Part # B110465 – Per Individual Subscriber

The Oracle Communications Launch Cloud Service is a product and service catalog design SaaS offering with the following main feature:

- Ability to model catalog definitions for commercial and billing domain applications.

Usage Limits

This Oracle Cloud Service is subject to usage limits based upon:

- A maximum number of 1 subscriber as set forth in Your order.
- Use of the Oracle Visual Builder Cloud Service Studio tool within the Oracle Communications Launch Cloud Service solely to extend user interface applications that connect to the Oracle Communications Launch Cloud Service.
 - Additional licenses of the Oracle Visual Builder Cloud Service Studio tool will be required if You create applications that connect to other applications or systems outside of the Oracle Communications Launch Cloud Service.
- Provisioning of two (2) environments: one (1) production environment and one (1) non-production environment.
 - Additional environments may be separately purchased.

Oracle Cloud Policies and Pillar Documentation

Your order for this Oracle Cloud Service is subject to the Oracle Cloud Hosting and Delivery Policies, including the Oracle SaaS Public Cloud Services Pillar Document, which both may be viewed at www.oracle.com/contracts.
