You'll enjoy continued peace of mind, knowing that we'll always be there to support your business. When it's time to upgrade, you'll have rights to major product releases, so you can benefit from Oracle's technology leadership and keep pace with the world of business.

Expect lifetime support. Expect control of your technology future—with Oracle's Lifetime Support Policy.

ORACLE LIFETIME SUPPORT

From Five Years To Forever

Oracle Financial Services Software - Lifetime Support Policy

With Oracle Financial Services Support, you know up front and with certainty how long your Oracle Financial Services Software products are supported. The Lifetime Support Policy provides access to technical experts for as long as you license your Oracle Financial Services products and consists of three support stages: Premier Support, Extended Support, and Sustaining Support. It delivers maximum value by providing you with rights to major product releases enabling you to take full advantage of technology and product enhancements. Your technology and your business keep moving forward together.

Premier Support provides a standard five-year support. You can extend support for an additional three years with Extended Support for specific releases or receive indefinite technical support with Sustaining Support.

Note: unless otherwise noted, each stage of support is provided through the last day of the month.

Oracle Financial Services Premier Support

As an Oracle customer, you can expect the best with Premier Support, our award-winning, next-generation support program. Premier Support provides you with maintenance and support of your licensed software for five years from their general availability date. You benefit from:

Program updates and fixes when made available by OFSS

- Security alerts, critical patch updates, upgrade scripts or tools when made available by OFSS
- Major product and technology releases, which includes general maintenance releases, selected functionality releases, and documentation updates
- Non-technical customer service during normal business hours
- Assistance with service requests 24 hours per day,7 days a week
- Access to My Oracle Support (24x7 web-based customer support system), including the ability to log service requests online

EXTENDED SUPPORT

Your technology future is assured with Oracle's Extended Support. Extended Support lets you stay competitive, with the freedom to upgrade on your timetable. Extended Support offers an extra three years of support for specific Oracle releases for an additional fee. You benefit from:

- Program updates and fixes when made available by OFSS
- Security alerts, critical patch updates, upgrade scripts or tools when made available by OFSS
- Major product and technology releases, which includes general maintenance releases, selected functionality releases, and documentation updates
- Non-technical customer service during normal business hours
- Assistance with service requests 24 hours per day,7 days a week
- Access to My Oracle Support (24x7 web-based customer support system), including the ability to log service requests online

SUSTAINING SUPPORT

Sustaining Support puts you in control of your upgrade strategy. When Premier Support expires, if you choose not to purchase Extended Support, or when Extended Support expires, Sustaining Support will be available for as long as you license your Oracle Financial Services products. With Sustaining Support, you receive technical support, including access to our online support tools, knowledge bases, and technical support experts. You benefit from:

- Program updates and fixes, created during the Premier Support period, and created during the Extended Support period for those customers who purchased Extended Support.
- Security alerts, critical patch updates, upgrade scripts or tools created during the Premier Support period
- Major product and technology releases, which includes general maintenance releases, selected functionality releases, and documentation updates
- Non-technical customer service during normal business hours
- Assistance with service requests, on a commercially reasonable basis, 24 hours per day, 7 days per week
- Access to My Oracle Support (24x7 web-based customer support system), including the ability to log service requests online

Sustaining Support does not include:

- New Program updates and fixes
- New Security alerts, data fixes, critical patch updates and upgrade scripts or tools
- 24 hour commitment and response guidelines for Severity 1 service requests
- Previously released fixes or updates that Oracle no longer supports

For more specifics on Premier Support, Extended Support, and Sustaining Support, please refer to Oracle Financial Services Software's "Technical Support Policies."
