

Oracle MICROS Tablet 721

ORACLE[®] Hospitality

KEY FEATURES

- 7" LED-backlit, capacitive touch display
- Highly ruggedized and durable
- Lightweight and ideally sized for portability
- Wi-Fi and Bluetooth support
- Hot swappable 8-hour battery
- Wide range of accessories

KEY BENEFITS

- Faster Service, Better Guest Experience
- Accelerate speed of service and table turns
- Line bust to reduce queues and wait times
- Enhance one-on-one guest engagement for a more personalized experience
- Increase staff efficiency
- Superior dependability, durability, and flexibility.
- Built on Oracle's reliable technology, and ruggedized for the hospitality environment
- Mobile reporting and data access enables immediate business decisions with real-time analytics

Engineered Hardware and Software. Better Together.

The Oracle MICROS Tablet 721 is a rugged mobile Point of Sale (POS) solution that was designed with the hospitality industry in mind. With its compact 7-inch design and durable capability, the Oracle MICROS Tablet 721 is the ideal choice for applications requiring extended battery life and purpose-built options. With integrated Wi-Fi and Bluetooth connectivity, magnetic stripe reader, optional barcode scanner, NFC/RFID, and rear-facing camera, the Oracle MICROS Tablet 721 enables increased efficiency and productivity, enhanced operations, and improved cost control.

Mobility Designed for Hospitality

Blending the usability and familiarity of a consumer mobile device with the enhanced features of a commercial solution, the Oracle MICROS Tablet 721 meets the demands for countless applications across the hospitality industry, and allows for flexibility in management operations, reducing costs, and redefining the guest experience.

Hardware and Software Built for Modern Hospitality

Oracle Hospitality offers hospitality management technology that is fully integrated with a portfolio of modern, mobile terminals for optimum guest service and efficiency.
