March 12-14, 2023

## Technology and Cloud Agenda

Sponsored by:

### Sunday, March 12, 2023

TIME (PST)	TRACK	LOCATION
1:00pm – 6:00pm	<b>Registration</b>	Palm Foyer

### Monday, March 13, 2023

TIME (PST)	TRACK	LOCATION
6:45am – 5:00pm	<b>Registration</b>	Palm Foyer
7:30am – 8:30am	<b>Breakfast</b>	Seaport Ballroom
8:30am – 10:30am	<b>General Session:</b> Welcome to Customer Edge! We'll begin each day together in general sessions designed to ignite your spark and get ready for the day ahead. Day one we'll kick off with our SoCal industry leader panel and hear from local utilities about how they're driving sustainability and reliability programs while serving their communities. Then we'll hand the mic over to our product leaders who will give you a sneak peek into exciting product updates across our portfolio. Finally, we'll be joined by security experts for a check in on the latest cybersecurity news in the industry.	Seaport Ballroom
10:00am – 5:00pm	<b>Innovation Hub:</b> Meet our Innovation Team! Enjoy immersive experiences that allow you to explore the future of water and	Seaport Foyer

## Tuesday, March 14, 2023

TIME (PST)	TRACK	LOCATION
6:30am – 7:15am	<b>Yoga Session</b>	Hillcrest CD
7:00am – 2:00pm	<b>Registration</b>	Palm Foyer
7:30am – 8:30am	<b>Breakfast</b>	Seaport Ballroom
8:30am – 10:30am	<p><b>General Session:</b> Are you ready for day two? Our second day of Customer Edge is all about innovation. We'll start off with a bang as we announce and celebrate this year's Changemaker Award winners. We'll then be joined by Oracle leaders to discuss the future of technology as we see it and showcase some exciting projects that are exploring the limits of what's possible in the industry. And finally, we are thrilled to have Josh Linkner, world-renowned innovation expert, join us for some creative troublemaking to leave you buzzing and ready to drive industry transformation.</p>	Seaport Ballroom
10:00am – 5:00pm	<p><b>Innovation Hub:</b> Meet our Innovation Team! Enjoy immersive experiences that allow you to explore the future of water and energy. We will have virtual reality, augmented reality, model town, interactive self-guided demos, and much more!</p>	Seaport Foyer
10:45am – 12:00pm	<p><b>Oracle Utilities Application Framework (OUAF) and Cloud Updates &amp; Roadmap, including Integrations</b></p>	Seaport GH

	<p>This session will review the Energy and Water technology updates, including Oracle Utilities Application Framework, Utilities Testing Accelerator, and more. We'll cover updates from the past year, plus what we are planning going forward. We will also discuss recent Enterprise SaaS updates and the roadmap for the next 12 months. Our integration updates will also be covered.</p> <p><b>Presenters:</b> Brian Owenson, Software Development Senior Director; Brian Michel, Product Management Director; Vicky Feldman, Product Management Director, Oracle</p>	
12:00pm – 1:00pm	<b>Lunch</b>	Harbor Ballroom
1:00pm – 1:50pm	<p><b>Cloud Tech Tips + How to Stay Current</b></p> <p>Looking to move your existing enterprise software solutions to the cloud? Or are you looking to migrate from legacy solutions to Oracle Energy and Water Enterprise SaaS solutions? Join this session for the top technical considerations, tips and suggestions from the Cloud Product Management team, including an overview on how to stay current with your SaaS releases.</p> <p><b>Presenter:</b> Kashif Qureshi, Senior Principal Product Manager, Oracle</p>	Seaport GH
1:50pm – 2:10pm	<b>BREAK</b>	
2:10pm -3:00pm Oracle Uncovered Discovery Track	<p><b>SaaS Transformation Mindset - supporting your journey to the cloud</b></p> <p>Join this session to learn more about the breakdown of roles and responsibilities, the guided learning paths available and what you should expect from your system integrators and project teams during implementation and after go-live. We'll dive deep into the differences between on premise and SaaS, mapping a clear migration plan, stakeholder management, tools and support available, and more.</p> <p><b>Presenters:</b> Manpreet Hundal, Sr. Director Enablement, Rochelle Cister, Consulting Customer Solutions Director, Calvin Tu, Senior Director, Utilities Cloud Solutions and Brian Michel, Director, Product Management, Oracle</p>	Seaport F
2:10pm -3:00pm Interactive Workshops	<p><b>Peer Panel: Innovation in affordability, community programs, and external partnerships</b></p> <p>Yesterday's programs for assistance consisted of payment arrangements, budget billing, or perhaps some reduced rate. Today, utilities are creating innovative new programs where renewable energy programs are piloting homes for low-income communities, public-private partnerships are being designed helping small commercial organizations, and new community organizations are engaging with utilities to help in alternate ways such as plumbing and energy efficiency repairs. Learn about what your peers are doing, ask questions, and bring</p>	Seaport GH

	<p>home some new ideas.</p> <p><b>Presenters:</b> <i>Chimaobi C. Chijioke, VP Customer Services, Georgia Power; Antoine Tilmon, VP Customer Operations NV Energy – BHE along with Maria DeChellis, Sr. Director Solution Consulting, Oracle</i></p>	
<p>2:10pm -3:00pm Changemakers Discovery Track</p>	<p><b>Oracle Ignite Kick Off: Demystifying Next Gen Tech</b></p> <p>Roll up your sleeves and put your thinking caps on...it's time to dive in. Tuesday afternoon we invite you all to join the Oracle Ignite Series, during which you will join teams to develop and pitch innovative solutions to real-world problems using next generation tech. In true Ignite fashion, all presentations will be 20 slides, in just 5 minutes, with slides automatically advancing after 15 seconds. Quick, powerful, and a whole lot of fun!</p> <p><b>Ignite Kick Off:</b> Let's get started in our Ignite Series by exploring technologies that could have big implications for the industry. Four experts will each be challenged to deliver a 5 minute Ignite-style session laying out their chosen technology. Their goal: convince you to join their team for the next phase of the Ignite Series.</p> <p><b>Ignite Leaders:</b> <i>Caitlin Aburrow, Senior Director Global Product Marketing; Jason Duncan-Wilson, Senior Director Product Incubator; Jason Strautman, VP Data Science &amp; Analytics Engineering; Jack Lucy, Master Principal Sales Consultant; Paul Hesby, Senior Solution Manager; Ashish Agarwal, Director Utility Innovation Lab and Burcin Kaplanoglu, VP Oracle Industry Labs</i></p>	<p>Seaport A-E</p>
<p>3:10pm – 4:00pm Oracle Uncovered Discovery Track</p>	<p><b>Personalized CX: Opower insights in your CRM, marketing, and trusted partner apps</b></p> <p>See what bringing Opower customer analytics and insights into your CRM and Marketing Automation Systems can do for customer operations. Learn how extending single sign on capabilities to your trusted partner applications simplifies the customer journey and accelerates program enrollment. In this session, we'll have a dialog and showcase how to create an easier path to data sharing, insights, and customization across all your customer solution</p> <p><b>Presenters:</b> <i>Kojo Quaye, Senior Manager, Product Strategy &amp; Darshini Thiagarajan, Group Product Manager</i></p>	<p>Seaport F</p>
<p>3:10pm – 4:00pm Interactive Workshops</p>	<p><b>"Water" you building with your AMI program</b></p> <p>Whether you are starting your AMI program or you have been on it for a while, are you building a smart-scape of data? We will discuss uses of the AMI program beyond customer leak detection or water conservation, including financial reporting, redesigning job descriptions, reevaluating management reports and training, and how your peers are solving everyday issues in water with their AMI data.</p> <p><b>Presenters:</b> <i>Tarja Nummela, Customer Service Director, City of Tempe,</i></p>	<p>Seaport GH</p>

	<i>Denis Demera, Customer Care &amp; Field Service Manager, LVVWD along with Maria DeChellis, Sr. Director Solution Consulting, Oracle</i>	
3:10pm – 4:00pm Changemakers Discovery Track	<p><b>Oracle Ignite: Pitch Workshops</b></p> <p>Choose which next gen technology team you'd like to join in this hands-on workshop. Bring your big ideas as you and your team develop a pitch: how would you apply your next gen technology to solve a big, hairy industry challenge?</p> <p><b>Ignite Leaders:</b> <i>Caitlin Aburrow, Senior Director Global Product Marketing; Jason Duncan-Wilson, Senior Director Product Incubator; Jason Strautman, VP Data Science &amp; Analytics Engineering; Jack Lucy, Master Principal Sales Consultant; Paul Hesby, Senior Solution Manager; Ashish Agarwal, Director Utility Innovation Lab and Burcin Kaplanoglu, VP Oracle Industry Labs</i></p>	Seaport A-E
4:10pm – 5:00pm	<p><b>Oracle Ignite Finale: Pitch It!</b></p> <p>Ready, set, pitch! In this Ignite Series Finale your team will pitch your big idea. We'll poll the audience to crown one team as winner. Who will claim the coveted first place prize package? (Hint: it includes a discount for next year's Customer Edge!)</p> <p><b>Oracle Ignite Leaders</b> <i>along with Hillary Martin, VP Strategy and Marketing and David De Maio, SVP, Oracle and Caitlin Aburrow, Senior Director Global Product Marketing</i></p>	Seaport Ballroom
