

Oracle Law Enforcement Requests

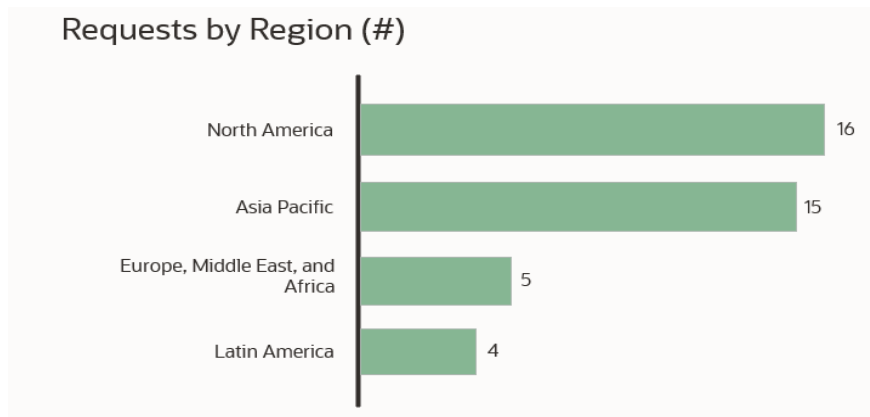

For the period October 1, 2022, through March 31, 2023

Oracle publishes these reports every six months to provide information regarding informational requests submitted to us by law enforcement agencies and governments from around the world. Specifically, this report provides information for the request types indicated below:

- **Administrative Subpoena:** A formal written order for information or testimony issued by a government agency without prior judicial oversight.
- **Grand Jury Subpoena:** A formal written order for information or testimony issued by a Grand Jury.
- **Preservation Request:** A written request to preserve relevant evidence, including hard copy documents and electronically stored information.
- **Search Warrant:** Order issued by local, state or federal courts that authorizes law enforcement officers to conduct a search of a person, location, or vehicle for evidence of a crime and to confiscate any evidence found during the search.
- **Take Down Notice:** Request made by a law enforcement or government agency for the removal or disablement of access to illegal, irrelevant, or outdated information.
- **Miscellaneous Investigation Assistance Request:** Other request for information from a law enforcement agency in order to assist in an active investigation.
