

ORACLE LICENSE AND SERVICES AGREEMENT

A. Agreement Definitions

“You” and “your” refers to the individual or entity that has executed this agreement (“agreement”) and ordered Oracle programs and/or services from Oracle Belgium (“Oracle”) or an authorized distributor. The term “programs” refers to the software products owned or distributed by Oracle which you have ordered, program documentation, and any program updates acquired through technical support. The term “services” refers to technical support, education, outsourcing, consulting or other services which you have ordered.

B. Applicability of Agreement

This agreement is valid for the order to which this agreement accompanies.

C. Rights Granted

Upon Oracle’s acceptance of your order, you have the limited right to use the programs and receive any services you ordered solely for your internal business operations and subject to the terms of this agreement, including the definitions and rules set forth in the order and the program documentation. You may allow your agents and contractors to use the programs for this purpose and you are responsible for their compliance with this agreement in such use. If accepted, Oracle will notify you and this notice will include a copy of your agreement. Program documentation is either shipped with the programs, or you may access the documentation online at <http://oracle.com/contracts>. Services are provided based on Oracle’s policies for the applicable services ordered, which are subject to change, and the specific policies applicable to you, and how to access them, will be specified on your order. Upon payment for services, you will have a perpetual, non-exclusive, non-assignable, royalty free license to use for your internal business operations anything developed by Oracle and delivered to you under this agreement; however, certain deliverables may be subject to additional license terms provided in the ordering document.

The services provided under this agreement may be related to your license to use programs which you acquire under a separate order. The agreement referenced in that order shall govern your use of such programs. Any services acquired from Oracle are bid separately from such program licenses, and you may acquire either services or such program licenses without acquiring the other.

D. Ownership and Restrictions

Oracle retains all ownership and intellectual property rights to the programs and anything developed by Oracle and delivered to you under this agreement resulting from the services. You may make a sufficient number of copies of each program for your licensed use and one copy of each program media.

You may not:

- remove or modify any program markings or any notice of Oracle’s proprietary rights;
- make the programs or materials resulting from the services available in any manner to any third party for use in the third party’s business operations (unless such access is expressly permitted for the specific program license or materials from the services you have acquired);
- cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of the programs; or
- disclose results of any program benchmark tests without Oracle’s prior written consent.

E. Warranties, Disclaimers and Exclusive Remedies

Oracle warrants that a program licensed to you will operate in all material respects as described in the applicable program documentation for one year after delivery. You must notify Oracle of any program warranty deficiency within one year after delivery. Oracle also warrants that services ordered will be provided in a professional manner consistent with industry standards. You must notify Oracle of any services warranty deficiencies within 90 days from performance of the services described in the ordering document.

Oracle does not guarantee that the programs will perform error-free or uninterrupted or that Oracle will correct all program errors. To the extent permitted by law, these warranties are exclusive and there are no other express or implied warranties or conditions, including warranties or conditions of merchantability and fitness for a particular purpose.

For any breach of the above warranties, your exclusive remedy, and Oracle's entire liability, shall be:

(A) the correction of program errors that cause breach of the warranty, or if Oracle cannot substantially correct such breach in a commercially reasonable manner, you may end your program license and recover the fees paid to Oracle for the program license and any unused, prepaid technical support fees you have paid for the program license; OR

(B) the reperformance of the deficient services, or if Oracle cannot substantially correct a breach in a commercially reasonable manner, you may end the relevant services and recover the fees paid to Oracle for the deficient services.

F. Trial Programs

You may order trial programs, or Oracle may include additional programs with your order which you may use for trial, non-production purposes only. You may not use the trial programs to provide or attend third party training on the content and/or functionality of the programs. You have 30 days from the delivery date to evaluate these programs. If you decide to use any of these programs after the 30 day trial period, you must obtain a license for such programs from Oracle or an authorized distributor. If you decide not to obtain a license for any program after the 30 day trial period, you will cease using and will delete any such programs from your computer systems. Programs licensed for trial purposes are provided "as is" and Oracle does not provide technical support or offer any warranties for these programs.

G. Indemnification

If someone makes a claim against either you or Oracle ("Recipient"), that any information, design, specification, instruction, software, data, or material ("Material") furnished by either you or Oracle ("Provider"), and used by the Recipient infringes its intellectual property rights, the Provider will indemnify the Recipient against the claim if the Recipient does the following:

- notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim (or sooner if required by applicable law);
- gives the Provider sole control of the defense and any settlement negotiations; and
- gives the Provider the information, authority, and assistance the Provider needs to defend against or settle the claim.

If the Provider believes or it is determined that any of the Material may have violated someone else's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund any fees the Recipient may have paid for it and any unused, prepaid technical support fees you have paid for the license. If you are the Provider and such return materially affects Oracle's ability to meet its obligations under the relevant order, then Oracle may, at its option and upon 30 days prior written notice, terminate the order. The Provider will not indemnify the Recipient if the Recipient alters the Material or uses it outside the scope of use identified in the Provider's user documentation or if the Recipient uses a version of the Materials which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the Recipient. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by the Provider. Oracle will not indemnify you to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by Oracle. This section provides the parties' exclusive remedy for any infringement claims or damages.

H. Technical Support

For purposes of the ordering document, technical support consists of Software Updates, Product Support and/or other annual technical support services you may have ordered. If ordered, annual technical support (including first year and all subsequent years) is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies, incorporated in this agreement, are subject to change at Oracle's discretion; however, Oracle will not materially reduce the level of services provided for supported programs during the period for which fees for technical support have been paid. You should review the policies prior to entering into the ordering document for the applicable services. You may access the current version of the technical support policies at <http://oracle.com/contracts>.

Technical support is effective upon shipment, or if shipment is not required, upon the effective date of the ordering document. If your order was placed through the Oracle Store, the effective date is the date your order was accepted by Oracle.

Software Updates or Product Support acquired with your order may be renewed annually and, if you renew the Software Updates or Product Support for the same number of licenses for the same programs, for the first and second renewal years the fee for Software Updates or Product Support will not increase by more than 4% over the prior year's fees. If your order is fulfilled by a member of Oracle's partner program, the fee for Software Updates or Product Support for the first renewal year will be the price quoted to you by your partner; the fee for Software Updates or Product Support for the second renewal year will not increase by more than 4% over the prior year's fees.

If you decide to purchase technical support for any license within a license set, you are required to purchase technical support at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if you agree to terminate that subset of licenses. The technical support fees for the remaining licenses will be priced in accordance with the technical support policies in effect at the time of termination. Oracle's license set definition is available in the current technical support policies. If you decide not to purchase technical support, you may not update any unsupported program licenses with new versions of the program.

Oracle reserves the right to desupport its programs or particular versions of its programs. You will be notified in advance when Oracle determines that a program is to be desupported. Such desupport notices, which are posted at Oracle's customer support web site, MetaLink (or Oracle's then current customer support web site), contain desupport dates, information about availability of Extended Support and Extended Maintenance Support and information about migration paths for certain features. The desupport notices are subject to change; Oracle will provide updated desupport notices on MetaLink (or Oracle's then current customer support web site) as necessary.

I. End of Agreement

If either of us breaches a material term of this agreement and fails to correct the breach within 30 days of written specification of the breach, the other party may terminate this agreement. If Oracle ends this agreement as specified in the preceding sentence or under the Indemnification section, you must pay within 30 days all amounts which have accrued prior to the end of this agreement, as well as all sums remaining unpaid for programs ordered and/or services received under this agreement plus related taxes and expenses. Except for nonpayment of fees, we each agree to extend the 30 day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if you are in default under this agreement, you may not use those programs and/or services ordered. You further agree that if you have used an Oracle Finance Division contract to pay for the fees due under an order and you are in default under that contract, you may not use the programs and/or services ordered and Oracle may end this agreement. Provisions that survive termination or expiration include those relating to limitation of liability, infringement indemnity, payment, and others which by their nature are intended to survive.

J. Fees and Taxes

All fees payable to Oracle are due within 30 days from the invoice date. You agree to pay any sales, value-added or other similar taxes imposed by applicable law that Oracle must pay based on the programs and/or services you ordered, except for taxes based on Oracle's income. Also, you will reimburse Oracle for reasonable expenses related to providing the services. Fees for services listed in an ordering document are exclusive of taxes and expenses. You agree that you have not relied on the future availability of any programs or updates in entering into the payment obligations in your order.

K. Nondisclosure

By virtue of this agreement, the parties may have access to information that is confidential to one another ("confidential information"). Confidential information shall be limited to the terms and pricing under this agreement, and all information clearly identified as confidential.

A party's confidential information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party.

We each agree to hold each other's confidential information in confidence for a period of three years from the date of disclosure. Also, we each agree to disclose confidential information only to those employees or agents who are required to access it in furtherance of this agreement and who are required to protect it against unauthorized disclosure. Nothing shall prevent either party from disclosing the terms or pricing under this agreement or orders submitted under this agreement in any legal proceeding arising from or in connection with this agreement.

L. Entire Agreement

You agree that this agreement and the information which is incorporated into this agreement by written reference (including reference to information contained in a URL or referenced policy), together with the applicable order, are the complete agreement for the programs and/or services ordered by you, and that this agreement supersedes all prior or contemporaneous agreements or representations, written or oral, regarding such programs and/or services. If any term of this agreement is found to be invalid or unenforceable, the remaining provisions will remain effective. It is expressly agreed that the terms of this agreement and any Oracle ordering document shall supersede the terms in any purchase order or other non-Oracle ordering document and no terms included in any such purchase order or other non-Oracle ordering document shall apply to the programs and/or services ordered. This agreement and ordering documents may not be modified and the rights and restrictions may not be altered or waived except in a writing signed or accepted online through the Oracle Store by authorized representatives of you and of Oracle. Any notice required under this agreement shall be provided to the other party in writing.

M. Limitation of Liability

Neither party shall be liable for any indirect, incidental, special, punitive, or consequential damages, or any loss of profits, revenue, data, or data use. Oracle's maximum liability for any damages arising out of or related to this agreement or your order, whether in contract or tort, or otherwise, shall be limited to the fees you paid Oracle for the deficient program or services under this agreement as specified in your order. In no event shall Oracle's liability arising out of or related to this agreement exceed the total fees paid under your order.

N. Export

Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the programs. You agree that such export control laws govern your use of the programs (including technical data) and any services deliverables provided under this agreement, and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations); additional information can be found on Oracle's Global Trade Compliance web site which can be accessed at <http://oracle.com/contracts>. You agree that no data, information, program and/or materials resulting from services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

O. Other

This agreement is governed by the substantive and procedural laws of Belgium and you and Oracle agree to submit to the exclusive jurisdiction of, and venue in, the courts in Brussels, Belgium, in any dispute arising out of or relating to this agreement.

If you have a dispute with Oracle or if you wish to provide a notice under the Indemnification section of this agreement, or if you become subject to insolvency or similar other legal proceedings, you will promptly send written notice to: Oracle Belgium, Airport Business Center, Leonardo Da Vincilaan 15, 1831 Diegem, Belgium, Attention: General Counsel, Legal Department.

You may not assign this agreement or give or transfer the programs and/or any services or an interest in them to another individual or entity. If you grant a security interest in the programs and/or any services deliverables, the secured party has no right to use or transfer the programs and/or any services deliverables, and if you decide to finance your acquisition of the programs and/or any services, you will follow Oracle's policies regarding financing which are at <http://oracle.com/contracts>.

Except for actions for nonpayment or breach of Oracle's proprietary rights, no action, regardless of form, arising out of or relating to this agreement may be brought by either party more than two years after the cause of action has accrued.

Upon 45 days written notice, Oracle may audit your use of the programs. You agree to cooperate with Oracle's audit and provide reasonable assistance and access to information. You agree to pay within 30 days of written notification any fees applicable to your use of the programs in excess of your license rights. If you do not pay, Oracle can end your technical support, licenses and/or this agreement. You agree that Oracle shall not be responsible for any of your costs incurred in cooperating with the audit.

P. Force Majeure

Neither of us shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancellation of any export or other license); other event outside the reasonable control of the obligated party. We both will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than 90 days, either of us may cancel unperformed services upon written notice. This section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures or your obligation to pay for services provided.

Q. License Definitions and Rules

To fully understand your license grant, you need to review the definition for the licensing metric and term designation as well as the licensing rules which are incorporated in and made a part of this agreement.
